MIRAE ASSET
Mutual Fund

NOTICE CUM ADDENDUM NO. AD/31/2021

THIS NOTICE CUM ADDENDUM SETS OUT THE CHANGES TO BE MADE IN THE SCHEME INFORMATION DOCUMENT ("SID"), KEY INFORMATION MEMORANDUM ("KIM") AND STATEMENT OF ADDITIONAL INFORMATION (SAI) OF SCHEMES OF MIRAE ASSET MUTUAL FUND ("MAMF/FUND")

1. Introduction of One Time Mandate Facility under all the Schemes of Mirae Asset Mutual Fund
Investors are hereby advised to take note of the introduction of a new facility i.e. One Time Mandate Facility (OTM Facility) under all the Schemes of Mirae Asset Mutual Fund (MAMF) with effect from **Monday, October 18, 2021**.

One Time Mandate (OTM) facility is one-time registration which can be used by an investor to instruct the bank account to deduct a specific amount towards investing into Systematic Investment Plan (SIP) through physical mode. After registering for OTM, investors do not need to follow the payment process every time while investing in SIP.

The Salient features of the OTM Facility are as under:

- OTM is a one - time registration process wherein the Investor of the Scheme(s) of the Fund authorizes his / her bank to debit their account up to a certain specified limit on request received from the Fund, and as when the instalment is due, without the need of submitting cheque or fund transfer letter with every instalment thereafter.
- OTM will be registered at a Folio level. In a Single Folio, Investor will be able to register 5 separate OTMs with different banks. Separate OTMs will need to be registered for separate Ffolios. Once registered, OTM Debit Mandate Form enables periodic deduction of Systematic Investment Plan (SIP) transactions. This facility is not available for Lumpsum transactions.
- New OTM submission will not replace the existing registered OTM in the Folio. It will be treated as additional OTM in the Folio, which will be up to 5 OTMs per Folio. For any change or additional registration after the 5th OTM, the Investor will need to cancel any one of the Existing OTM in the Folio.
- The facility would enable investment through SIP in the schemes of the Fund by sending instructions indicating OTM usage for transaction through physical mode.
- The facility can be availed only if the Investor's Bank is participating in NACH (National Automated Clearing House) platform and subject to investor's bank accepting OTM registration mandate. Registration of One Time Mandate will take up to 25 - 30 Calendar days before the 1st installment date. This purely depends on the reverse response by NPCI.
- Registration of the facility or any deactivation thereof shall be carried out by the AMC on submission of valid written request at any Investor Service Centre of the AMC by the Investor. The AMC shall not be liable for execution of OTM based transaction, if any, occurring between the period of submission of discontinuation request and registration of such deactivation. Investors are also requested to read the Terms and Conditions of the OTM facility given on the reverse of the OTM mandate form.

The Trustees / AMC reserves the right to introduce, change, modify or withdraw the features available in this facility from time to time.

‘Adani Ports’ move on containerised cargo to push logistics cost

PRESS TRUST OF INDIA
New Delhi, October 12

THE DECISION of Adani Ports and SEZ (APSEZ), which operates Mundra Port in Gujarat, not to handle containerised cargo originating from Iran, Pakistan and Afghanistan from November 15 will increase domestic logistics costs for the export sector,

according to exporters.

Federation of Indian Export Organisations (FIEO) vice chairman Khalid Khan said due to this decision, shipments coming to Mundra Port in Gujarat would shift to JNPT, Mumbai and it would increase congestion.

"The move will increase freight cost by 20-25%. Congestion at JNPT will also

increase. We will urge the commerce and shipping ministries to look into the matter to find a solution," Khan said.

FIEO director general Ajay Sahai said the organisation is watching the development. "We expect the cargo from Adani administered ports will move to other ports. This will lead to higher domestic freight particularly for exports from

north and western India, other than areas close to Mumbai.

"It is too early to gauge its impact on our trade with these countries. What will be its impact on the availability of ships to Iran, overseas freight etc are issues, which have started bothering trade," Sahai said.

Founder chairman of Technocraft Industries India

Sharad Kumar Saraf said it is a "negative" step.

"Adani port should have got customs department to revamp and tighten the inspection of cargo to prevent drugs import. We have friendly relations with Iran and need to establish good relations with the new Af Govt. They will surely see this step as an unfavourable act," Saraf said.
