Religious fanaticism rising, attempts to divide Hindus: RSS

AGENCIES / Ahmedabad

Religious fanaticism and acts of communal hysteria are being spread in the country under the cover of Constitution and religious freedom, the RSS said in its annual report while cautioning against “plans” by a particular community to enter the government machinery for furthering its “malicious” agenda.

The challenge of increasing divisive elements in the country is also alarming, it said, adding, “as the census year approaches, there are instances of inciting a group by propagating that ‘they are not Hindus.’”

“Efforts are afoot to weaken society by rising various fissiparous tendencies in the Hindu society itself,” Rashtriya Swayamsevak Sangh—the ideological fountainhead

of the BJP—said in the report presented in Ahmedabad at the Sangh’s apex body ‘Pratinidhi Sabha’s annual three-day meeting, which started from Friday.

Terming religious fanaticism as a serious challenge, it referred to the recent killing of workers of Hindu organisations in Karnataka during the Hijab controversy and in Kerala.

“The formidable form of growing religious fanaticism in the country has raised its head again in many places. The brutal murders of activists of Hindu organisations in Kerala, Karnataka are an example of this menace. Series of dastardly acts revealing communal hysteria, demonstrations, violation of social discipline, custom and conventions under the guise of the Constitution

and religious freedom, inciting violence by instigating meagre causes, promoting illegal activities, etc. is increasing,” the report said.

There appear to be elaborate plans by a particular community to enter the government machinery, it said, alleging a “deep conspiracy with a long-term goal” as “on the strength of numbers, preparations are being made to adopt any route to get their points convinced.” “All out efforts with organised strength, awakening and activeness to successfully defeat this menace before the unity, integrity and harmony of the society is the need of the hour,” the Sangh said.

On Hindutva, the report alleged there are conspiracies to make unwarranted allegations by spreading various types of falsehoods.

RBI LIFTS RESTRICTIONS ON HDFC BANK'S NEW DIGITAL LAUNCHES

NEW DELHI: The Reserve Bank of India (RBI) has lifted the restrictions that were placed on the new digital launches of HDFC Bank, the private lender informed the stock exchanges on March 12.

“The Reserve Bank of India has lifted the restriction on the business generating activities planned under the Bank’s Digital 2.0 programme, vide its letter dated March 11, 2022. The same has been notified to the Stock Exchanges on March 12, 2022,” HDFC Bank said.

The curbs were imposed by the central bank in December 2020 after repeated outages at the lender’s data centre. The restrictions barred HDFC Bank from launching any of the activities planned under the Digital 2.0 programme, as well as the sourcing of new credit cards.
