Thanking you,
for **NCL INDUSTRIES LIMITED.**

M. Divya Bharathi
Company Secretary &
Compliance Officer

Fidelity, Accel Lead \$160-170m Investment Round in Spinny

Pranav Mukul

New Delhi: Used-car sales firm Spinny has closed a \$160-170 million funding round led by US-based investors Fidelity and Accel Leaders Fund, people in the know said.

The transaction includes \$90 million of primary capital, with the remaining being sold by early investors Blume Ventures and Fundamentum.

Fidelity, WestBridge Capital bought shares through the secondary portion with the blended valuation of the co being \$1.4-1.5b.

On Thursday, Fidelity's investment in Spinny received nod from the Competition Commission of India (CCI).

On the Move

Transaction includes \$90 m of primary capital with the remaining being sold by early investors Blume Ventures and Fundamentum.

Fidelity, WestBridge Capital bought shares through the secondary portion with the blended valuation of the co being \$1.4-1.5b.

The US crossover fund has acquired around 6.7% stake in Spinny.

The Gurgaon-based company, which competes with SoftBank-backed Cars24 and Peak XV Partners-backed Cardekho, is on track to post a 30% revenue growth in fiscal 2025, another person said.

In FY25, Spinny reported Rs 4,760 crore in operating revenue, up 25% from FY24. In fiscal 2025, the company's net loss reduced by 28% to Rs 424 crore on the back of improved operating performance and better unit economics.

Spinny also acquired vehicle servicing startup GoMechanic in November last year in a \$450 crore cash and stock deal as it expands its bouquet of offerings. Email queries sent to Spinny founder and CEO Niraj Singh remained unanswered.

Fidelity, Accel, WestBridge, Blume and Fundamentum did not respond to ET's queries.

The latest financing round is the second such of a similar size for Spinny in less than a year - after it closed an extended \$360 million funding from Accel Leaders Fund and WestBridge in June last year. That was not only the first big funding round since the go-go period of 2021 for Spinny, but also in the broader used-car sales and classifieds space.

Cars24 raised \$329 million in December 2021, led by Wave Global, valuing the company at \$3.3 billion.

BHARAT IN GROWTH PEOPLE IN PURPOSE

GMDC supports India's energy needs today while preparing for what comes next. Reliable lignite operations sustain industries, while planned expansion into coal strengthens immediate readiness. At the same time, planned mining in rare earths and copper, expanded wind and solar capacity, and exploration of blue hydrogen through UCG are enhancing future energy security. Together, these efforts are creating livelihoods, supporting communities, and ensuring India's progress is shared by its people.

(See Regulation 47 of the SEBI (LODR) Regulations, 2015)
