Nectar Lifesciences Ltd. honoured with NECA 2015 Award

Chandigarh, 16 Dec, 2015

Nectar Lifesciences Limited (NecLife), the fast-growing manufacturer of generic pharmaceutical active pharmaceutical ingredients (APIs) and formulation products has touched a significant milestone recently by being awarded the coveted National Energy Conservation Award – 2015 (NECA) organized by BEE (Bureau of Energy Efficiency, Ministry of Power, Government of India).

This National Energy Conservation Award programme promotes energy efficiency and the adoption of clean and innovative technologies in industrial and other sectors. In this programme, enterprises from large / medium / small scale industries from sectors like Cement, Power, Infrastructure, Automotive, Chemicals, Food, Fertilizers, Consumer Goods, Foundries, Jute, Plastic industry, Paper & Pulp, Textile & Pharmaceuticals etc submit a questionnaire to BEE and are entered into a competition, judged by government officials, culminating in an awards ceremony. NecLife has participated in the chemical sector of this National Level Competition and has won this award for the first time.

Mr. Sanjiv Goyal Chairman and Managing Director of Nectar Lifesciences Ltd. received this prestigious award from Hon'ble Minister of Power, Coal, new and renewable energy, Shri Piyush Goyal. This award represents the best energy performance in various sectors in recognition of contribution made towards promoting energy efficiency and inculcating sense of responsibility towards energy conservation.

NecLife has adopted many innovative means for energy conservation, out of square thinking. With energy conservation drive M/s. Nectar Lifesciences Limited has contributed toward saving of 10744 tCo2 carbon emissions in addition to emissions saved from biomass plant i.e. approx. 77000 tCo2 during this period thus adding to clean environment drive. The award was in recognition for the best initiatives in energy saving and quantum of energy saved.

About Nectar Lifesciences Limited (NecLife)

Established in 1995, NecLife (BSE code: 532649, NSE Id: NECLIFE, ISIN Id: INE023H01027) is a leading integrated pharmaceutical organization in India, offering a specialized comprehensive range of oral and sterile cephalosporin and Carbapenem active pharmaceutical ingredients (APIs) and finished dosage forms (FDFs). NecLife is one of the largest manufacturers of cephalosporin range of products and has an established brand presence in 20 states across India and more than 60 countries across five continents. NecLife has a global leadership position in all the oral molecules as well as sterile molecules. The company has already been accredited with all the major Quality, Environment, Health and Safety certifications such as ISO 50001, ISO 9000, ISO 14000, OSHAS 18001, ISO 22000 and SA 8000:2008. NecLife is also the first Indian pharmaceutical company to receive the prestigious SA 8000:2008 for Social Accountability Systems. NecLife has consistently achieved reduction in Energy consumption concurrently becoming the largest player in Cephalosporin range of products in terms of production.

The Company has 11 manufacturing facilities – Eight in Derabassi, Punjab (API and menthol units), two in Baddi, Himachal Pradesh (FDF and EHGC plants) and one in Jammu (menthol plant). NecLife's products include Oral and sterile cephalosporin APIs, FDFs, Empty hard gelatin capsules and Menthol and allied products.
