PRESS BRIEF

India's First-Ever Central Government–Private Healthcare Collaboration Launched at Metro Railway's Tapan Sinha Memorial Hospital

Kolkata, [Insert Date] – In a historic step for India's healthcare sector, **Metro Railway Kolkata**, a central government entity under Indian Railways, has entered into its first-ever partnership with **Nephro Care India Ltd**, a leading provider of comprehensive 360° renal care under PPP model.

This unique collaboration, the **first of its kind in India**, was inaugurated on 14th August 2025 at **Tapan Sinha Memorial Hospital**, operated by Metro Railway. The initiative aims to combine the extensive reach and infrastructure of Metro Railway with the specialized medical expertise of Nephro Care India Ltd, led by eminent nephrologist **Dr. Pratim Sengupta**.

Nephro Care India has a clear vision — to serve **1 million patients** through **300 advanced renal care units** across the nation. The partnership will ensure that world-class kidney care services are accessible to a larger segment of the population, leveraging Metro Railway's central location and connectivity to reach patients more effectively.

By integrating public infrastructure with private medical innovation, this collaboration sets a **new benchmark for public–private partnerships** in India's healthcare landscape. It symbolizes a shared commitment to delivering **affordable, accessible, and quality renal care** to the people of Kolkata and beyond.
