Subject: Clarification on NEAPS Query received vide email dated 6.1.2026

Dear Sir/Madam,

This is with reference to the NEAPS query stating that the figures in the Standalone and Consolidated Financial Results for the quarter ended 30 September 2025 appear to be same and seeking reasons thereof.

The only transactions in the subsidiary during the quarter ended 30 September 2025 included - equity capital contribution by the reporting Company and some revenue expenditure incurred during the quarter. Accordingly, the standalone and consolidated financial results for quarter ended 30 September 2025 declared are same when reported in Rs. Crores.

In view of the above, and as explained, there are no discrepancies in the standalone and consolidated financials for the quarter ended 30 September 2025.

We trust the above clarification adequately addresses the query.

Kindly take the same on record.
