2 The Government of India has consolidated 29 existing labour legislations into a unified framework comprising four labour codes viz the Code on Wages, 2019, the Code on Social Security, 2020, the Industrial Relations Code, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 (collectively referred to as the "Codes"). The Codes have been made effective from 21 November 2025. The incremental impact of these changes, assessed by the Company, is not material and has been recognised in the financial results of the Company for the quarter and nine months ended 31 December 2025. Once Central/ State Rules are notified by the Government on all aspects of the Codes, the Company will evaluate further impact, if any, on the measurement of employee benefits and would provide appropriate accounting treatment.

3 The Holding Company has presented new segment namely Way Side Amenities (WSA) which will comprise of business conducted from premises acquired on long term lease. Accordingly, Right of Use Asset (ROU) and Lease Liabilities has been recognized in accordance with Indian Accounting Standards ("Ind AS").
