To,
The Board of Directors,
Newjaisa Technologies Limited.

1. We have reviewed the accompanying statement of unaudited standalone financial results of M/s Newjaisa Technologies Private Limited (the "Company") for the period ended September 30, 2025 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard 25, "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations
3. Our responsibility is to issue a report on these financial statements based on our review. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement

EMPHASIS OF MATTER

- We draw attention to Note “Revenue from operation” of the Statement, which states that there is a decline in sales of 31.05% as compared to the corresponding half year of the previous financial year. The decline is primarily on account of the Company’s transition from fulfilling orders through the Amazon platform to a ready-to-ship model effective March 2025. During this transition phase, the Company experienced a temporary reduction in order conversions, leading to lower revenue for the half year ended 30th September 2025. Our conclusion is not modified in respect of this matter.
- Inventory has been physically verified and certified by the management, and Written off Rs. 60.00 lakhs worth of obsolete stock based on findings from physical inventory verification.
