## **Newjaisa Technologies Ltd.**

**Newjaisa Technologies Limited Achieves a Landmark Milestone with Its Largest B2B Order.**

**06<sup>th</sup> Dec 2024:**

Newjaisa Technologies Limited is thrilled to share a significant milestone in its journey of growth and innovation. We have secured a major B2B order of 1500 units from one of our esteemed clients, further solidifying our reputation as a trusted partner in the IT asset refurbishing industry. This is biggest single B2B order to date. This order represents a testament to our capabilities and positions us as a preferred choice for businesses seeking reliable and sustainable IT solutions.

This remarkable achievement reflects Newjaisa's unwavering commitment to delivering exceptional refurbished IT solutions tailored to meet the dynamic needs of businesses. By providing sustainable and cost-effective options, we continue to lead the charge in environmentally responsible IT asset management while upholding the highest standards of quality and reliability. Our focus on innovation and customer-centric solutions has played a key role in earning the trust and loyalty of our clients.

**Commenting on this milestone, Vishesh Handa, MD, CEO, Newjaisa Technologies Limited,** said, "This accomplishment is a testament to the value we bring to our clients and the trust they place in us. It marks a new chapter in our growth journey, and we are excited to exceed expectations as we deliver on this order. We deeply appreciate our client's confidence in us and are committed to maintaining our standards of excellence."

The successful acquisition of this order underscores our ability to cater to large-scale business needs while reinforcing our position as an industry leader. This milestone aligns perfectly with our vision of fostering scalable, sustainable growth and making a meaningful impact in the IT refurbishing sector. It also highlights the relentless dedication of our team, whose expertise and commitment have been pivotal to our success.

At Newjaisa, we believe that every achievement brings with it the responsibility to do more and do better. This order serves as a catalyst for us to push boundaries and innovate further, ensuring that we consistently deliver value to our clients and stakeholders.
