Dear Sirs,

Sub: News in Mint captioned “Wockhardt : US export ban may stay till 2015”

We refer to your E-mail dated September 5, 2014 regarding news appearing in Mint, Page No. 8, captioned “**Wockhardt: US export ban may stay till 2015**”.

With reference to the above, we would like to state that:-

While briefing the press, the Chairman Dr H. F. Khorakiwala appraised the latest position in the FDA issue and informed about company’s readiness to the compliances. Inspections by FDA and its timelines is beyond the control of the Company even at the utmost sincerity to the resolution. Hence, the briefing could not be construed as “development” rather be treated as mere statement of facts as on date.

It would be pertinent to note that at the origination of import alert by FDA, the matter was promptly informed by the Company.

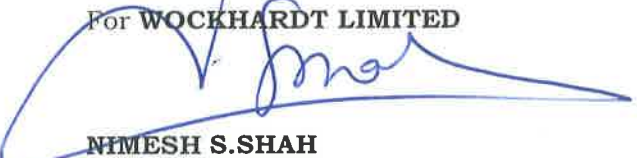

In the event that there is any development that requires disclosure under Clause 36 of the Listing Agreement, we will make the same in accordance with the regulatory requirements.

This is for your information and records.

Thanking you,

Yours cordially,

For **WOCKHARDT LIMITED**
