Dear Sir,

This has reference to your e-mail dated 02/12/2014. seeking clarification from the Company on the news item which appeared in the "FINANCIAL EXPRESS".

In this connection, we wish to clarify that *the Company in line with its long term strategy proposes to increase capacities across all its existing factories. These proposals are an ongoing process in the company as part of its capex plan over a period of time, for its eight factories situated at various places in the country. The capex mentioned in the article is our broad estimation which will depend upon cash flows and review of our capex needs. These proposals are currently tentative and as and when the same becomes definite, we note to keep the stock exchange(s) informed, if there are any material developments in compliance with clause 36 of the listing agreement.*

This is for your information.

Thanking you,
