Dear Sirs,

Sub: News Clarification _ RELIANCE

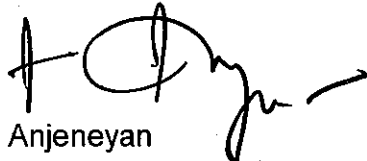

We refer to your e-mail dated May 13, 2015 regarding media report titled "Strike at RIL's Patalganga factory on wage issue" Source: Business Line – May 13, 2015.

In this regard, we would like to state that a part of the contract workforce at our Patalganga factory have not been reporting for work predominantly in the Polyester area. All others including the regular staff and contract workforce are at work.

The appropriate authorities have advised that the action of the Contract Workforce not reporting for work has been unwarranted and uncalled for.

The manufacturing operations in both the Petrochemicals and the Polyester area have not been impacted and continue to be normal.

Yours faithfully,
For Reliance Industries Limited
