Dear Sir,

Sub: Clause 36 of the Listing Agreement
Ref.: Your email dated December 12, 2014 on the news article

We refer to your above referred email on the news items '*Tata Chemicals to invest in Chennai*'.

In this regard, we wish to inform you that phase one of the plan is to set up 1000 tonnes per annum (TPA) prebiotic plant in Sriperumbudur near Chennai. Out of this, 300 TPA Fructo-oligosacchride (FOS) plant has gone on stream already. The expected investment at the scale of 1000 TPA is about Rs 50 crores. The plan is to expand this unit to 5000 TPA over a period of 3 to 5 years with a further investment of around Rs 100 crores.

Trust, we have clarified the matter.

Thanking you,

Yours truly,
For TATA CHEMICALS LIMITED

Rajiv Chandan
General Counsel & Company Secretary
