Dear Sir/Madam,

This is with reference to your e-mail seeking clarification regarding the non-submission of segment details in the financial results of NFP Sampoorna Foods Limited submitted to the Exchange on **10th June, 2026**.

1. Segment Reporting

We wish to submit that the Company is engaged in a single line of business, namely NFP Sampoorna Foods Limited is engaged in the processing, packaging, trading, marketing, and distribution of premium dry fruits, nuts, and healthy food products under the FMCG/food processing sector, which constitutes a single reportable operating segment.

Accordingly, in terms of the requirements of Accounting Standard (AS) 17 – Operating Segments, the Company is not required to disclose separate segment-wise financial information, as there is only one reportable operating segment.

Further, all the non-current operating assets of the Company are located in India and the Company does not have any reportable geographical segments requiring separate disclosure.

The above accounting treatment and non-disclosure of separate segment information have been adopted based on the advice and confirmation of the Statutory Auditors of the Company.

As on the date of the said financial results, the Company had **not received any IPO proceeds**, and therefore, the question of utilisation of IPO funds did not arise. Accordingly, submission of the utilisation of IPO proceeds certificate was not applicable at that time.

We request you to kindly take the above submission on record and treat the matter as complied with.
