Dear Sir/Madam,

We sincerely apologize for the oversight regarding the Limited Review Report, which was not filed concurrently with the financial results due to a system error.

Upon noticing this deficiency, we promptly filed the revised XBRL in the NEAP portal under the heading 'common XBRL, integrated Filing Financials,' including the financials and the Limited Review Report attached as a PDF, on November 21, 2025. We re-filed the PDF of the financials along with the Limited Review Report on December 08, 2025.

We assure you that we had no intention of withholding this filing. We humbly request that you consider waiving any penalty related to this technical oversight..

Thank you for your understanding.

Yours truly,
