Dear Sir/Madam

Sub : Corrigendum : Extract of the audited Financial Results (Standalone) for the Financial year ended 31st March 2019 published in Newspapers.

This has reference to our letter bearing ref no NIACL/Inv/2019-20 dated 15.05.2019 whereby we had submitted the cutting of the Newspapers where we have published the "Extract of the audited Financial Results (Standalone) for the Financial year ended 31st March 2019".

There was a typographical error in the date mentioned in the "Extract of the audited Financial Results (Standalone) for the Financial year ended 31st March, 2019" published in various dailies on 15th May, 2019. The date mentioned as "13th March 2019" is to be read as "13th May, 2019".

Please find enclosed the Newspaper cutting of the Corrigendum published in various dailies on 16.05.2019.

Kindly take the same on record.

Thanking you,
Yours Sincerely,

For The New India Assurance Co. Ltd.

Jayashree Nair

**Jayashree Nair
Company Secretary**

Encl : as above.

चुनाव और घोषणापत्र की अनूठी धुन

संगीतकारों की मदद लेकर, दिलचस्प वीडियो तैयार कर राजनीतिक दल अपने नेताओं व घोषणापत्रों को लोगों के बीच पेश कर रहे हैं। चुनाव अभियान के लिए ऐसी अनूठी तैयारियों का जायजा लिया रंजीता गणेशन ने

जब संगीतकार शक्तिकांत कार्तिक इंडियन पॉलिटिकल ऐक्शन कमेटी (आईपीएसी) से मुलाकात करने पहुंचे तब तक राजनीतिक रणनीतिकार प्रशांत किशोर ने चुनावी गीत के बोल पर पहले ही फैसला कर लिया था: ‘रवाली जगत, कवाली जगन’। आईपीएसी ने कार्तिक को आंध्र प्रदेश के मशहूर नेता और वाईएसआर कांग्रेस के अध्यक्ष जगन मोहन रेड्डी के लिए चुनावी गाना तैयार करने के लिए चुना था। ‘रवाली जगत, कवाली जगन’ बोल का मतलब है, ‘जगन आ रहे हैं, हमें जगत की जरूरत है’ और इसे इसलिए चुना गया क्योंकि छोटे फोन पर भी इसकी आवाज बिल्कुल स्पष्ट होगी।

कार्तिक को तेलुगु फिल्मों ‘हैप्पी वेडिंग’ (2018) और ‘फिदा’ (2017) के लिए सफल संगीत देने के लिए जाना जाता है। उन्होंने इससे जुड़ी धुन पर ही गीत और संगीत तैयार किया जिससे चुनावी वादों और रेड्डी के दिवंगत पिता की यादें ताजा होती रहीं। वाईएसआर कांग्रेस पार्टी के नेताओं के आंध्र प्रदेश में 341 दिनों की भागदौड़ के स्लो मोशन विजुअल को भी इसमें शामिल किया गया। यूट्यूब पर अब तक इसे 2.2 करोड़ बार देखा जा चुका है और इस प्रकार यह इस चुनावी सीजन के सबसे लोकप्रिय गानों में शुमार हो चुका है।

इसे तैयार करने में करीब सात महीने लगे और इसे करीब छह फीमेंट में तैयार किया गया है। इसे जनसभाओं में लाउडस्पीकरों, बाइक रैली, मोबाइल फोन के रिंगटोन और बल्क वॉयस कॉल के लिए विशेष तौर पर तैयार किया गया है। कार्तिक ने कहा, ‘मैंने इस पर उसी तरीके से काम किया है जैसे मैं किसी फिल्म के लिए काम करता हूं।’ एक-दो साल के बच्चों को भी उनके माता-पिता के साथ गाते हुए इसे फिल्माया गया है जो वोट नहीं दे सकते। उन्होंने कहा, ‘वीडियो के वायरल होने का यह पहला संकेत है।’ राजनीतिक पार्टियों को उम्मीद होती है कि उनके चुनावी वीडियो वायरल हो जाए और इसलिए वे जानेमाने संगीतकारों वाले वीडियो जारी करती हैं।

पिछले कुछ चुनावों के दौरान राजनीतिक पार्टियों के लिए प्रचार अभियान से संबंधित गीत-संगीत से जुड़े प्रमुख हस्तियों में गीतकार जावेद अख्तर, विज्ञापन क्षेत्र की हस्ती प्रसून जोशी एवं पीयूष पांडे, गायक शंकर महादेवन और अवधूत गुप्ते शुमार किए जाते हैं। कभी-कभी ये कलाकार राजनीतिक दलों के करीब होते हैं और मुफ्त में काम करते हैं। फिल्म उद्योग में केवल संगीत तैयार करने की लागत ही करीब 10 लाख रुपये होती है और वीडियो तैयार करने के यह रकम कहीं अधिक बढ़ सकती है। कुछ राजनीतिक दल किसी एक

गाने को चुनते हैं जबकि कुछ अन्य दल पूरा एलबम तैयार कराते हैं। कुल मिलाकर रोडशो केवल आयोजन होता है जबकि संगीत उसे देखने का चश्मा तैयार करता है। गाने पहले से रिकॉर्डेड या लाइव प्रदर्शन के लिए हो सकते हैं। चुनावी गानों को मूल फिल्मी गाने में हास्य-व्यंग्य को जोड़ते हुए आकर्षक तरीके से तैयार किया जाता है। आमतौर पर इन्हें लोकप्रिय गानों की तर्ज पर तैयार किए जाते हैं।

यह कोई नया रुझान नहीं है। शीर्ष स्तर के राजनीतिक दल पहले ही फिल्मी जगत के दक्ष संगीतज्ञों की मदद लेते रहे हैं। इतिहासकार एस सी सरकार ने लिखा है कि आजादी के बाद 1962 के तीसरे आम चुनावों के दौरान भारतीय राष्ट्रीय कांग्रेस (आईएनसी) ने विभिन्न संसदीय क्षेत्रों में बजाने के लिए 6,000 ग्रामोफोन रिकॉर्ड का आर्डर दिया था। 1971 में संगीत निदेशक प्रेम धवन ने बोल दिए, ‘जनसंघ के दीये में तेल नहीं’। वहीं संगीतकार कल्याणजी आनंदजी ने 1989 में कहा था कि वे ‘त्रिदेव’ फिल्म के मशहूर गाने के बोल ‘ओए ओए वा’ का इस्तेमाल कांग्रेस के प्रचार गीत के तौर पर करेंगे। गीतकार समीर के पिता अंजान ने फिल्म ‘डॉन’ के लिए ‘खड़े पान बनारस वाला’ गीत लिखा था जिसका इस्तेमाल तब किया

गया जब 1984 में इलाहाबाद से अमिताभ बच्चन कांग्रेस की सीट से चुनाव लड़ रहे थे। वहीं कांग्रेस के अशोक चव्हाण के लिए फिल्म ‘लव आजकल’ के गाने ‘चोर बाजारी’ की एक पैरोडी तैयार की गई। 1998 का चुनाव कवरेज टीवी पर खूब दिखाया गया और ऐसा कहा जाता है कि भारतीय जनता पार्टी (भाजपा) ने गीतकारों की एक टीम की सेवाएं ली थीं जिसने विपक्षी दलों के लिए अहम राजनीतिक संदेशों को लोकप्रिय फिल्मी और पॉप गानों में

मिक्स किया था। उन दिनों ऑडियो कैसेट वितरण का माध्यम हुआ करता था। समाजवादी पार्टी ने अमेरिकी गीतकार और गायक ब्रूस सिंग्रंस्टीन के गीत ‘वी डिडन्ट स्टार्ट दि फायर, इट वॉज ऑलवेज बर्निंग’ को नए कलेवर में कुछ यूं पेश किया, ‘मन से है मुलायम, पर इरादे लोहा हैं’। वहीं सपना अवस्थी के गाने ‘मैं आई हूं यूपी बिहार लूटने’ की पैरोडी भी चुनावों में खूब लोकप्रिय रही।

एक अच्छे गाने की वजह से आम लोगों की नेताओं और उनके घोषणापत्र को समझने में लगने वाली मेहनत आधी हो सकती है। ऐसे में ये सुरीले लेकिन सतही गाने नीति से जुड़े विचारपूर्ण चर्चा की जगह ले सकते हैं। भाजपा ने अपने एक प्रचार

राजनीतिक दल चुनावी संगीत की मदद से जनता को करते हैं आकर्षित

गीत में ‘डिजिटल इंडिया’, ‘स्किल इंडिया’, ‘एलपीजी सक्सीडी’, ‘स्टार्टअप’ जैसी योजनाओं का जिक्र करते हुए पहली बार मतदान करने वाले मतदाताओं से गुजारिश की है जिन्हें नरेंद्र मोदी पूरा कर चुके हैं। वहीं कांग्रेस के चुनावी थीम ‘अब होगा न्याय’ में ‘न्याय’ पार्टी की प्रमुख न्यूनतम आय गारंटी योजना का प्रतीक है और यह ‘अन्याय’ का विपरीत शब्द भी है। दोनों दलों ने विभिन्न भारतीय भाषाओं में गाने रिकॉर्ड किए। वहीं क्षेत्रीय स्तर के राजनीतिक प्रचार में स्थानीय संगीत का दबदबा ज्यादा दिखता है। मुंबई में एक नई पार्टी दुर्बल घटक आगाडी ने एक पोवाड़ा रिलीज किया जो महाराष्ट्र का लोकगायन है जिसमें गायक गीत और बोले गए शब्दों के बीच सक्रिय होता है। इसके साथ ही लाइव डफली का आयोजन भी होता है।

वंचित बहुजन आगाडी (वीबीए) का नेतृत्व करने वाले प्रकाश आंबेडकर भी इससे जुड़ चुके हैं और ऑल इंडिया मजलिसे इस्तेादुल मुसलमीन (एमआईएम) के साथ सहयोग कर रहे हैं। उन्होंने लाइव प्रदर्शन भी दिखाया है जो दलित-आंबेडकर आधारित बैठकों में लोकप्रिय रहा है। इसके अलावा चुनाव प्रचार में कच्वाली का इस्तेमाल भी होता है और अलताफ रजा इस

शैली में माहिर हैं। दक्षिण के राज्यों में नेताओं की शक्तिशाली और उनकी योजनाओं को बताने के लिए गाने अहम जरिया होते हैं। लोकसभा चुनावों के लिए कांग्रेस ने देश भर के लिए हिंदी में गाना रिकॉर्ड कराया जिसे 1.8 लाख लोगों ने देखा। मिसाल के तौर पर इसके मलयालम गीत ‘जननायक’ को खासतौर पर वायनाड के चुनाव के मद्देनजर राहुल गांधी के लिए पेश किया गया जिसे 1.2 लाख लोगों ने देखा। इसके संगीतकार जेक्स बेजॉय थे जो फिल्मों के लिए संगीत निर्देशन का काम करते हैं। उनका कहना है कि उन्होंने इसके लिए ऑर्केस्ट्रा का इंतजाम किया जिससे श्रोताओं में आसानी से जोश आ सकता है।

इस राज्य में लोकशैली वाले संघर्षशील वामपंथी गाने की परंपरा है जिन्हें हजारों श्रमिक और किसानों गाया है। वामपंथी उम्मीदवार पी राजीव के लिए 2019 का थीम गीत ‘दिल में राजीव, दिल्ली में राजीव’ तैयार किया फिल्म संगीतकार बिजीबल ने। वहीं तमिलनाडु में जहां द्रमुक को परंपरागत रूप से एम करुणानिधि जैसे वक्ता के रहने का फायदा मिला वहीं अन्नाद्रमुक की निर्भरता एमजीआर की हिट फिल्मों के गाने और लाइनों पर तब बन गई जब उनकी आवाज बुलेट लगने की वजह से जाती रही। इलैयाराजा ने तमिलनाडु और केरल में कम्युनिस्ट पार्टी के गीत के लिए प्रदर्शन किया जब वह किशोर थे और अपने बड़े भाई वरदराजन की मंडली के साथ दौरा किया करते थे। दक्षिणी राज्यों में दूसरी भाषाओं में राजनीतिक गाने की तारीफ करना श्रोताओं के लिए कोई असामान्य बात नहीं है। संगीतकार कार्तिक कहते हैं, ‘यहां भाषायी बाधा ज्यादा नहीं है।’ कुछ लोग गाने के गलत इस्तेमाल को लेकर भी सतर्कता बरतते हैं।

वर्ष 1996 में कांग्रेस पार्टी की आलोचना करने वाले और विपक्षी उम्मीदवार का पक्ष लेने वाले एक कॉकणी गाने का प्रसारण गोवा के रेडियो पर प्रसारित किया गया। इसके बाद रेडियो स्टेशन से यह व्योरा मांगा गया कि चुनाव आचार संहिता का हनन हुआ या नहीं। राष्ट्रीय जनतांत्रिक गठबंधन (राजग) ने मशहूर अभिनेता अमिर खान से पीपली लाइव फिल्म के गाने ‘महंगाई डायन’ का इस्तेमाल उत्तर प्रदेश और बिहार में चुनाव प्रचार के दौरान करने की इजाजत मांगी थी। हाल ही में बाबुल सुप्रियो ने बिना इजाजत के एक गाना, ‘तृणमूल अब नहीं’ रिकॉर्ड कराया था जिसे निर्वाचन आयोग द्वारा प्रतिबंध के बावजूद बजाया जा रहा था। बेजॉय कहते हैं, ‘किसी प्रतिद्वंद्वी के बारे में बुरा-भला कहना बचकाना है और चुनावी जंग भी सकारात्मक तरीके से होनी चाहिए।’

क्लोन ऐप से मिला राजनीतिक लाभ!

व्हाट्सऐप द्वारा फर्जी संदेश रोकने के लिए मैसेज फॉरवर्ड करने पर लगाई गई सीमा की काट ढूंटने के लिए डिजिटल मार्केटिंग करने वाले और राजनीतिक कार्यकर्ता व्हाट्सऐप क्लोन और करीब 1,000 रुपये की कीमत वाले सॉफ्टवेयर टूल की मदद ले रहे हैं। फेसबुक ईक की स्वामित्व वाली कंपनी व्हाट्सऐप के भारत में 20 करोड़ से अधिक ग्राहक हैं और यह फर्जी खबरों को रोकने की चुनौतियों का सामना कर रही है।

डिजिटल कंपनियों और भारतीय जनता पार्टी (भाजपा) तथा मुख्य विपक्षी दल कांग्रेस के सूत्रों का कहना है कि लोकसभा चुनाव के चलते राजनीतिक दलों के प्रचार के लिए ऐसे टूल और ऐप की मांग तेजी से बढ़ी है। पिछले साल व्हाट्सऐप पर फर्जी संदेशों के चलते देशभर में कई जगह माॅब लिंगिंग जैसी घटनाएं हुईं जिसके बाद कंपनी ने एक बार में मेसेज फॉरवर्ड करने की सीमा घटाकर पांच संदेश तक सीमित कर दी। हालांकि इस तरह के टूल के उपयोग को लेकर भेजे गए सवालों पर कांग्रेस की सोशल मीडिया प्रमुख दिव्या स्पंदना और भाजपा के आईटी प्रमुख अमित मालवीय ने कोई जवाब नहीं दिया।

दिल्ली में डिजिटल मार्केटिंग कारोबार करने वाले रोहिताश रेपसलवार का कहना है कि वह दो भाजपा कार्यकर्ताओं के लिए रोजाना एक लाख संदेश भेजने के लिए 1,000 रुपये की कीमत वाले एक सॉफ्टवेयर का उपयोग करते हैं। वह कहते हैं, ‘व्हाट्सऐप ने जो भी किया, उसका विकल्प मौजूद है।’ रॉयटर्स ने पाया कि भारत में राजनीतिक प्रचार-प्रसार के लिए व्हाट्सऐप का कम से कम तीन तरह से दुरुपयोग किया गया। पहला, ऑनलाइन उपलब्ध मुफ्त क्लोन टूल की मदद से कुछ भाजपा और कांग्रेस कार्यकर्ताओं ने बड़ी तादाद में संदेश फॉरवर्ड किए। दूसरा, व्हाट्सऐप संदेश को स्वतः प्रेषित करने वाले सॉफ्टवेयर टूल और तीसरा, कुछ कंपनियों राजनीतिक कार्यकर्ताओं को एक वेबसाइट की मदद से अनजान नंबरों द्वारा बड़ी संख्या में व्हाट्सऐप मेसेज भेजना।

एमेर्जोन इंडिया की वेबसाइट पर ऐसे कम से कम तीन सॉफ्टवेयर उपलब्ध थे। जब रॉयटर्स के रिपोर्टर ने इन्हें खरीदा तो वे छोटे कार्डबोर्ड की पैकिंग के साथ कॉम्पैक्ट डिस्क के रूप में आए जिसपर किसी कंपनी का नाम नहीं लिखा था। प्रमाणिकता जांचने और खबर लिखने के उद्देश्य से व्हाट्सऐप से इस सॉफ्टवेयर के परीक्षण की अनुमति मांगी गई लेकिन कंपनी ने ऐसे परीक्षण की अनुमति से इनकार कर दिया। तकनीकी क्षमताओं में तेजी के चलते लोकप्रिय ऐप का संवर्धित संस्करण आना सामान्य हो चला है। भारतीय राजनेताओं के लिए देश की 90 करोड़ जनता को लाक्षित करने के लिए व्हाट्सऐप, फेसबुक और ट्विटर महत्वपूर्ण माध्यम हैं। कांग्रेस पार्टी के दो सूत्र और भाजपा के एक सूत्र ने बताया कि उनके कार्यकर्ता ‘जीबीव्हाट्सऐप’ और ‘जेटीव्हाट्सऐप’ जैसे क्लोन ऐप का उपयोग कर रहे हैं जिससे व्हाट्सऐप द्वारा लगाए गए प्रतिबंधों से बचा जा सके। इन दोनों ऐप का इंटरफेस बिल्कुल व्हाट्सऐप के इंटरफेस से मिलता है और इन्हें दर्जनों तकनीकी ब्लॉग से डाउनलोड किया जा सकता है। हालांकि ये ऐप गूगल प्ले स्टोर पर उपलब्ध नहीं हैं लेकिन ये ऐंड्रॉयड पर आसानी से काम करते हैं।

हिमाचल में सेब किसानों में रोष

आदिति फडणीस

कांग्रेस के शीर्ष नेतृत्व के लिए सारे रास्ते हिमाचल प्रदेश की तरफ जाते हैं जहां लोकसभा चुनावों के सतवें और अंतिम चरण में 19 मई को मतदान होना है। कार्यकर्ताओं में जोश फूकने और उन्हें सड़कों पर लाने के लिए पार्टी कड़ी मेहनत कर रही है। पार्टी अध्यक्ष राहुल गांधी पिछले सप्ताह ऊना में थे और 17 मई को उनकी सोलन में एक जनसभा है। इससे पहले गुलाम नबी आजाद वहां जाकर यह सुनिश्चित करेंगे कि पार्टी के नेता की जनसभा में बड़ी संख्या में लोग पहुंचें।

इसका क्या कारण है? हिमाचल प्रदेश की चार सीटों में से कांग्रेस को पिछली बार एक भी सीट नहीं मिली थी। इस बार पार्टी को कम से कम एक सीट पर जीत मिलने की उम्मीद है। भाजपा इस पहाड़ी राज्य में अपना दबदबा बरकरार रखना चाहती है जहां पार्टी के नेता जयराम ठाकुर मुख्यमंत्री हैं। लेकिन इस बार कांग्रेस का खाता खुल सकता है।

कांग्रेस के लिए ज्यादा संभावनाएं शिमला सीट पर है। यह सुरक्षित सीट है और पर्यवेक्षकों का कहना है कि कांग्रेस ने इस सीट पर तगड़ा उम्मीदवार उतारा है। पार्टी ने यहां पूर्व सैनिक और दो बार सांसद रहे जनी राम शॉडिल को उम्मीदवार बनाया है जिनका मुकाबला भाजपा के सुरेश कश्यप से है। भाजपा ने इस सीट से अपने पिछले सांसद वीरेंद्र कश्यप को बर्खास्त कर दिया है। सुरेश कश्यप उसी जाति के हैं। शिमला कांग्रेस के दिग्गज नेता वीरभद्र सिंह का गढ़ रहा है। सिंह और राहुल गांधी के बीच तनावपूर्ण रिश्ते अब अतीत की बात हो चुकी है। राहुल ने ऊना में जनसभा में कहा, ‘वीरभद्र सिंह राजनीति में मेरे गुरु हैं। मैं उनका सम्मान करता हूं। मैं नरेंद्र मोदी की तरह नहीं हूं जिन्होंने अपने राजनीतिक गुरु लालकृष्ण आडवाणी का तिरस्कार किया।’

शिमला के ग्रामीण इलाके खासकर ऊपरी शिमला सेब के बागानों के लिए मशहूर हैं। सेब किसानों को भाजपा से कई शिकायतें हैं। भाजपा की राज्य सरकार में इस इलाके का प्रतिनिधित्व नहीं है। इसका मतलब यह है कि सेब किसानों की बात सरकार तक पहुंचाने के लिए कोई प्रतिनिधि नहीं है। कुछ महीने पहले किसान संघर्ष समिति (केएसएस) के तत्वावधान में एक व्यापक आंदोलन शुरू किया गया। इसके कार्यकर्ता गांव-गांव घूमकर ऐसे सेब किसानों की पहचान करने की कोशिश में लगे हैं जिनके साथ अद्वित्या ने धोखाधड़ी की है।

राज्य सरकार ने इस मामले की जांच के लिए एक विशेष दल का गठन किया है। करीब दो साल से भी अधिक समय से अद्वितियों ने सेब किसानों का भुगतान नहीं किया है। वे भुगतान में टालमटोल कर रहे हैं या फिर गायब हो गए। केएसएस के सचिव संजय चौहान किसानों की पहचान करने के प्रदेश अध्यक्ष मुद्दे की जड़ में हिमाचल प्रदेश कृषि एवं उद्यान उपज विपणन (विकास एवं नियमन) कानून, 2005 के प्रावधानों को लागू नहीं करना है। इस कानून को मंडी कानून के नाम से जाना जाता है और इसे किसानों और उद्यान मालिकों

के हितों के संरक्षण के लिए बनाया गया था पर इसे सही ढंग से लागू नहीं किया जा रहा।

उन्होंने आरोप लगाया कि बिना सत्यापन के असामाजिक तत्वों को आद्वितियों का लाइसेंस दिया गया है। ये आद्वितिए किसानों की फसल खरीदते हैं और किसानों को बाद में भुगतान करने का वादा करते हैं। लेकिन इसके बाद वे लापता हो जाते हैं। माकपा के विधायक राकेश सिंधा ने जब विधानसभा में इस बारे में सवाल उठाया तो सरकार का जवाब था कि 15 जनवरी 2019 तक 99 से शिकायतें दर्ज कराई गई थी जिनमें से 81 शिकायतें पुलिस के पास दर्ज कराई गई हैं। इनमें कुल 26,691,426 रुपये का दावा किया गया था जिसमें से 8,848,809 रुपये का मामला सुलझ गया है।

सेब किसानों में भाजपा सरकार को लेकर रोष है। इसके अलावा ऊपरी शिमला इलाके में कोई बड़ी सड़क परियोजना नहीं है। यह इलाका कांग्रेस के दिग्गज नेताओं विद्या स्टोक्स और कुलदीप सिंह राठौड़ की कर्मभूमि रहा है। राठौड़ अभी कांग्रेस के प्रदेश अध्यक्ष हैं। वीरभद्र सिंह के बेटे विक्रमादित्य ने यहां व्यापक राजनीतिक काम किया है। स्थानीय लोगों का कहना है कि वे भाजपा को सबक सिखाना चाहते हैं। क्या पार्टी यह सीट अपने कब्जे में रखने में सफल होगी?

फेसबुक पर घटने लगा राजनीतिक विज्ञापन खर्च

सचिन मामबटा

हाल के हफ्ते में फेसबुक विज्ञापन पर खर्च की गई राशि में गिरावट के रुझान दिख रहे हैं। फेसबुक ऐड लाइब्रेरी रिपोर्ट के मुताबिक इस तरह के विज्ञापनों पर देश के राजनीतिक दलों ने 11 मई को खत्म सप्ताह में 2.2 करोड़ रुपये खर्च किए हैं। इससे पहले के हफ्ते में 2.7 करोड़ रुपये खर्च की तुलना में इसमें 18.4 प्रतिशत की गिरावट दिखी

है। लगातार दूसरे सप्ताह विज्ञापन खर्च में गिरावट आई है। इससे पहले के हफ्ते में खर्च में 11.5 प्रतिशत की कमी आई थी। हाल के साप्ताहिक खर्च की रिपोर्ट के आंकड़ों के मुताबिक महीने में यह सबसे कम विज्ञापन खर्च वाला सप्ताह रहा है। फरवरी के बाद से फेसबुक पर कुल विज्ञापन खर्च 25.3 करोड़ रुपये रहा है। इस दौरान फेसबुक पर विज्ञापनों की कुल संख्या 1,12,097 रही है। ये आंकड़े फेसबुक द्वारा विज्ञापन के बारे में दी गई साप्ताहिक जानकारी के आधार पर है, जिसमें राजनीतिक व

राष्ट्रीय महत्त्व के विषयों पर दिए गए विज्ञापन शामिल हैं। कांग्रेस 11 मई को खत्म हुए सप्ताह में फेसबुक पर खर्च करने वाली सबसे बड़ी पार्टी बनकर उभरी है। कांग्रेस ने 40.3 लाख रुपये खर्च किए। भारतीय जनता पार्टी 28.12 लाख रुपये के साथ दूसरे स्थान पर है। तृणमूल कांग्रेस 6.8 लाख रुपये खर्च कर पांचवें स्थान पर है। इसके पहले के हफ्तों के दौरान भाजपा सबसे ज्यादा खर्च करने वाली पार्टी रही और कुल खर्च के हिसाब से अभी शीर्ष पायदान पर है। वहीं कांग्रेस दूसरे स्थान पर है। इसके अलावा 5 शीर्ष विज्ञापन खर्च सप्तासीन दल भाजपा के विज्ञापनों से जुड़े हैं।

'The narrative of joblessness at its highest in decades is misinformed'

Chief Economic Advisor **KRISHNAMURTHY SUBRAMANIAN** tells Arup Roychoudhury & Indivijal Dhasmana that even if there is a slight overestimation or underestimation of the level of GDP, it does not necessarily affect the growth rate. Edited excerpts:

What can the government do to boost the economy?

I will focus on the long term again. The government should work on the three factors of production, which are capital, land and labour. We need to be working on long-term competitiveness, and these three factors become important in that context. The real cost of capital, which is high, needs to come down. My emphasis would be a lot more on credit spread. We have to work on reducing the cost of acquiring land, both directly and indirectly.

Are we headed towards a liquidity crisis, given what has happened in the NBFC sector?

What a lot of market participants call liquidity is actually related to solvency. You have NBFCs which have long-dated assets and their liabilities are short term, which they roll over. Whenever you have this asset-liability mismatch

and the going is good, there is no problem. Whenever the situation becomes tough, the rolling over of liabilities becomes more difficult. What is important is to monitor the mismatches very carefully so that there is monitoring of liquidity.

Q&A

Questions have been raised again on the GDP data since an official report said a number of companies under the MCA 21 database could not be traced.

On the employment data as well as the GDP data, I have a few points to make. Having been in the government for four months now and having looked at a number of touchpoints, I can say that in a democracy like ours, it is very hard to develop a narrative that is different from the truth. There is this NSSO (National Sample Survey Office) survey of the services sector. They have taken the sample frame from MCA 21 and then have gone and checked. It is a sur-

vey of services, not of the economy. There may be firms found to be not in services but they definitely count in the economy. Therefore, we have to be careful in comparing apples and oranges. The blow-up factor, which is used to account for those companies which have not given the data, is only 12-15 per cent. It is not a large number. Secondly, this

affects only the level of GDP. Growth rate is about change. Even if there is a slight overestimation or underestimation of the level of GDP, it does not necessarily translate into the growth rate. On the job data as well, the narrative of unemployment being at its highest in decades is misinformed. You have the unemployment survey and periodic labour force survey. The sampling procedure in the former was based on household expenditure. In the labour force survey, the sampling was based on level of education, particularly individuals who have passed class 10. About 75 per cent households have at least one individual who has passed class 10. If somebody has passed class 10 that individual will not go and work as a daily wage labourer. If you look at the Census, and at the number of households which has at least one person who has passed class 10, the unemployment rate will be higher. If you put a 75 per cent weight on a higher number and a 25 per cent weight on a lower number, you will indeed get a higher number. But that has nothing to do with fundamentals. It is just about sampling.

COAI supports minimum broadband speed of up to 2 Mbps for 4G network

PRESS TRUST OF INDIA
New Delhi, 15 May

Industry body COAI on Wednesday said it favours minimum broadband speed of up to 2 Mbps (megabits per second) for 4G networks. Currently, the minimum broadband speed is 512 Kbps. Asked if the association

was in favour of minimum broadband speed being prescribed at 2 Mbps, especially given the proliferation of 4G services in India, Cellular Operators' Association of India (COAI) Director General Rajan Mathews told reporters: "Yes, we have supported this, on a 4G network." Mathews said most of the telecom operators are de-

facto already providing more than 2 mbps on an average and "at peaks a lot more", which is borne out by the data speed test results of various firms. "The problem is in basically saying you are giving one measure for your whole network...If you are saying on my 2G network, you should expect this speed,

and on a 3G network you should expect this speed, and on a 4G network you should expect this speed... when we talk about our submission we said up to, because no operator anywhere in the world absolutely says they can guarantee you a certain amount of speed on the network," Mathews said.

'Dead lizard' found in food at Haldiram's

A man allegedly found a dead lizard in a food item served at the snacks major Haldiram's outlet here, a Food and Drugs Administration (FDA) official said on Wednesday. The incident took place at the outlet located at Ajani square on Tuesday morning. The picture of the dead lizard found in 'vada sambar' went viral on the social media. "The man and a woman accompanying him, both from Wardha, had ordered vada sambar at the outlet. But while eating, the man found a dead lizard in the food. They brought this to the notice of the outlet's supervisor, who later on threw it away," assistant commissioner of FDA (Nagpur) Milind Deshpande told PTI. "They were later admitted to a private hospital and discharged on Wednesday," he added. "The FDA was informed about it in the evening, after which we immediately visited the the Haldiram's outlet and conducted an inspection," Deshpande said. PTI

Grenade blast in Guwahati hurts 12

At least 12 people, including two SSB personnel, were injured in a grenade blast, reportedly carried out by ULFA(I) militants, in front of a shopping mall in the heart of the city on Wednesday evening, officials said. Guwahati Police Commissioner Deepak Kumar told PTI that two persons riding a motorcycle hurled the grenade in front of the shopping mall located at arterial R G Baruah Road just opposite the state zoo around 8 pm. "As per our information, 12 persons were injured in the explosion. Out of them, five are (undergoing treatment) at Gauhati Medical College and Hospital. The condition of one of them is serious. Five others with minor injuries were admitted to a private hospital. The state will bear expenses of their treatment," Minister of State for Health Pijush Hazarika said. Hazarika visited the hospital. Two others suffered eye injuries and they were taken to an eye hospital, Kamrup Metropolitan Disaster Management Authority CEO Bidyut Bikash Bhagawati said. PTI

Tata Consumer Products, the new giant in the FMCG sector

All of Tata’s consumer brands will be under one roof, creating a strong player in the ₹5-lakh crore market

OUR BUREAU
Mumbai, May 15
As part of the ongoing effort to simplify its organisational structure, Tata Group has decided to merge the consumer businesses of its two listed entities — Tata Global Beverages Limited (TGBL) and Tata Chemicals Limited (TCL).
With this, TCL’s consumer business, which comprises Tata Salt and other packaged foods, will now be a part of a new entity called Tata Consumer Products Limited.
TCL will continue to operate its scientific research and chemicals business under the leadership of its CEO, R Mukandan, while TGBL’s CEO and MD Ajay

Misra will lead the new entity.
About 300 employees from TCL will join TGBL, the owner of brands such as Tetley and Tata Coffee.
Tata Consumer Products has been formed through a National Company Law Tribunal-approved scheme, following which TCL shareholders will get 1.14 new shares of TGBL for each share held in TCL.
‘Under one roof’
At a conference call here, Harish Bhat, Brand Custodian of Tata Sons, said that the objective of this merger was to bring all the consumer brands under one roof to create a strong consumer products company in

Tata Group plans to strengthen its product pipeline with the merged entity GETTY IMAGES/ISTOCKPHOTO

the ₹5-lakh crore Indian FMCG market, which has giants such as Hindustan Unilever, ITC, and Godrej.
With the new consumer entity in place, Tata Group plans to strengthen its product pipeline and reach out to over 20 crore households in India through a stronger supply chain and distribution network.
In addition, the new consumer entity expects to achieve substantial revenue and cost synergies, which will add value to its shareholders.
“The new entity will have a combined turnover of ₹9,099 crore and an EBITDA of ₹1,154 crore. It is expected to be EPS accretive from the day itself,” Bhat said.
New launches
Bhat also hinted that going forward, the new entity will work

towards creating new categories and adding new product lines. The company is planning to launch a detergent brand soon.
“Tata Consumer Products consolidates our current presence in the food and beverages segment of the fast-growing consumer sector. Through this combination, we have created a strong growth platform to meet the growing aspirations of Indian consumers,” said N Chandrasekaran, Chairman, Tata Sons.
Chandrasekharan, who took charge of the \$103-billion company in 2017, has also consolidated the defence and aerospace business into Tata Aerospace and Defence.
The transaction is expected to be completed by the fourth quarter of FY20, or the first quarter of FY21.

Asahi Glass workers on strike demanding reinstatement of dismissed colleagues

TERAJASIMHAN
Chennai, May 15
Over 200 permanent workers of Asahi India Glass have been on strike from March 25, seeking reinstatement of 28 employees terminated from work.
In the absence of permanent employees, the plant is run by contract workers and apprentices with only 80 per cent utilisation, KS Ravi Kumar, Head, Legal and Industrial Relations, Asahi India told *BusinessLine*.
The automobile glass maker company supplies products to auto majors such as Hyundai, Ford, Nissan, Maruti and Daimler. It has a 77 per cent market share in the segment.
The trouble started in June 2017, with workers demanding 14-gramme gold coins as a gift on the plant’s 10th anniversary. The management declined the request but offered a lesser sum as cash incentive. Unhappy with the decision, workers resorted to a “go slow”, from June 1, 2017, for

‘In the absence of permanent employees, the plant is run by contract workers and apprentices with only 80 per cent utilisation’

over a month. According to Kumar, the company incurred an initial loss of around ₹80 lakh.
Asahi approached the Madras High Court, which restrained employees from obstructing work. On July 6, 2017, employees halted work, prompting the management to suspend and later terminate 28 workers.
The employees, who were part of an informal workers group, joined with the Centre of Indian Trade Unions (CITU), affiliated to the Communist Party of India. However, the Asahi management declined to recognise CITU-led union, and opted to resolve issues through the Works Committee. CITU on February 5 demanded an unconditional reinstatement of all 28 workmen. With no headway, on March 5 the union issued a notice warning of indefinite strike from March 25.
The Assistant Commissioner of Labour (ACL), Kanchipuram, suggested bilateral discussions between the striking workers and the management, but CITU failed to attend and went ahead with the strike, Kumar added.
S Kannan, Kanchipuram State District Secretary, CITU, said: “Though labour issues have been resolved with many companies, we have failed to reach an understanding by mutual agreement at Asahi. We went to the Labour Department but nothing has been resolved yet, ultimately leading to the strike,” he said.
On Tuesday, the ACL urged the workers and the management to sit for negotiations, to be held on May 19. “We are open for negotiations, but there will be no compromise in reinstating the terminated employees,” said Kumar.

Aditya Birla Fashion’s Q4 net up 79% UrbanClap’s revenue jumps 2.5 times to ₹116 cr

OUR BUREAU
Mumbai, May 15
Aditya Birla Fashion and Retail Limited (ABFRL) has posted a strong 79 per cent growth in profit after tax at ₹203 crore during the quarter ended March 31, against a profit of ₹113 crore a year ago.
The company reported a 9 per cent growth in revenue at ₹1,915 crore during the quarter as compared with ₹1,754 crore in the year-ago period, on the back of a healthy performance of its lifestyle and fast fashion business.
The Kumar Mangalam Birla-promoted retail company has two business divisions — Madura and Pantaloons.
Madura — with lifestyle

Pantaloons posted a marginal decline in revenues BLOOMBERG

brands such as Louis Philippe, Van Heusen, along with fast fashion brands Forever 21 and People — has recorded 14 per cent growth in revenue in the quarter at ₹1,320 crore.
While EBITDA for the lifestyle brands witnessed a marginal increase at ₹169 crore (₹166 crore), revenue grew by 12 per cent ₹1,132

crore (₹1,015 crore).
The fast fashion segment continued to deliver steady performance, with EBITDA losses for the quarter flat at ₹5 crore.
Other businesses witnessed a strong 65 per cent growth in revenues during the quarter, with losses at ₹24 crore.
Points of focus
The company’s innerwear business continues to scale at a rapid pace, expanding its footprint to around 14,000 outlets across the country.
Global brands continued to gain scale, with the first Ralph Lauren store launched at Delhi.
The value retail chain Pantaloons, which the com-

pany had acquired from Future Group, posted a marginal decline in revenues at ₹633 crore in Q4 as against ₹641 crore in the year-ago period.
The company said in a statement that Pantaloons will continue to grow by focussing on improving its value proposition and targeting newer markets to expand its footprint.
Lifestyle brands will focus on brand strengthening, category extensions, store network expansion and customer centricity, the company added.
“Overall, ABFRL is well positioned to surge ahead in the billion-dollar market and build on its current momentum,” the statement added.

OUR BUREAU
Mumbai, May 15
Online home cleaning services provider UrbanClap has witnessed a 2.5x jump in revenues at ₹116 crore in FY19, compared with ₹46 crore in the previous fiscal.
UrbanClap is among the few start-ups to have started reporting its unaudited earnings as a good governance policy, its founder Abhiraj Singh Bhal said.
The company is targeting a net revenue of ₹250-300 crore in FY20.
While the revenues grew substantially, the losses also grew. It reported a loss of ₹72 crore in FY19, as compared with ₹57 crore loss in FY18 and ₹67 crore in FY17.
“We have been able to contain our losses despite the fact

UrbanClap served over 3.3 million orders in FY19

that we have been investing heavily in product innovation and expansion of services into newer markets,” Bhal said.
He added that in FY19, UrbanClap served over 3.3 million service orders, and plans to touch about 10 million orders in the next few years. The gross transaction value (GTV) of all orders served by UrbanClap in FY19 stood at ₹400

crore, nearly three times more than in FY18’s ₹130 crore.
Beauty services at home continued to be the largest vertical for the company, within which UrbanClap offers skin-care, hair-care, makeup, spa and men’s grooming services.
The second largest vertical was appliance and basic home repairs.
The company also made inroads in new verticals, such as cleaning, pest control and painting.
Tracking growth
The company also expanded in the UAE in the last financial year, as well as select Tier-II Indian cities.
In the coming financial year, the company hopes to launch in more Tier-II cities,

and at least one more international market.
“Our vision is to empower millions of professionals to deliver services at home like never experienced before. In the last financial year, we improved our capabilities in selection, on boarding, training, and certification of service professionals. Additionally, we also invested in areas such as product procurement, technology, and financing, establishing our market leadership,” Bhal said.
“Today, approximately 20,000 trained professionals make their livelihood through the UrbanClap platform. We are committed to growing that number to one million-plus service professionals over the next five years,” Bhal added.

Amara Raja Batteries records ₹119-crore profit in Q4

V RISHI KUMAR
Hyderabad, May 15
Amara Raja Batteries Limited has posted a profit of ₹119.34 crore for the fourth quarter ended March 31, as against a profit of ₹109.80 crore in the corresponding quarter previously.
The batteries major logged marginally lower revenues at ₹1,573 crore

(₹1,604.44 crore). For the full year ended March 31, 2019, the company logged a profit of ₹483.23 crore on income of ₹6,839.88 crore.
It had posted a profit of ₹471.32 crore and income of ₹6,299.35 crore for the previous fiscal.
The board of directors recommended a dividend of ₹5.08 per equity share of ₹1

each, subject to approval of the shareholders. The total dividend for the year works out to ₹7.08 a share, including interim dividend announced earlier. In the previous fiscal it had distributed ₹4.15 as dividend.
Jayadev Galla, Vice-Chairman and MD, Amara Raja Batteries Limited, said: “We

are tracking our growth plans with significant investments into capacity and capability building across various products and process technologies, to meet the market demand. We will continue to pursue opportunities for strategic partnerships.”
S Vijayanand, CEO, said: “With continuous growth in

the automotive segment and demand for industrial batteries picking up in international markets, we have strengthened our operations by opening up our first overseas subsidiary in the UAE.
“We have also commissioned the stamped grid technology facility for two-wheeler battery manufac-

turing,” he added.
During the last year, as per the agreements, the Galla family, promoters of the Amara Raja group, had acquired a 2 per cent stake in the company from Johnson Controls International Plc. However, various other agreements between the promoters and Johnson Controls were later terminated.

TajGVK Hotels Q4 net up at ₹10 crore

OUR BUREAU
Hyderabad, May 15
TajGVK Hotels & Resorts has posted a profit of ₹10.13 crore for the fourth quarter ended March 31, as against a profit of ₹7.29 crore in the corresponding quarter of the previous year.
Total revenue during the quarter was ₹93.51 crore (₹85.33 crore).
For the financial year ended

March 31, 2019, the hospitality company posted a profit of ₹24.32 crore on an income of ₹324.09 crore as against ₹21 crore profit on income of ₹290.88 crore in the previous fiscal.
The board of directors recommended a dividend of ₹0.60, (30 per cent per equity share of ₹2 each) for the fiscal, subject to shareholders’ approval.

Business intelligence start-up Veratech raises funds from angel investors

OUR BUREAU
Mumbai, May 15
Business intelligence start-up Veratech Intelligence has raised an undisclosed amount from a group of angel investors.
The round was led by Chandrashekar Kupperi, Founder of ANOVA Corporate Services, an investment banking and advisory firm.
Kupperi also joins the company as CFO, the company said in a statement.
The funds will be used to enhance technology and for team-building, it added.
Founded by lawyer Mohit Yadav and Mayank Sharma, an IIT alumnus, Veratech is a data analytics firm that builds in-depth risk profiles of Indian companies, by using varied reliable data

points. Mohit Yadav said: “These funds will help us further strengthen the technology to improve our analysis even further with high standards of accuracy.”
Mayank Sharma, added, “The funds will be deployed to diversify offerings catering to start-ups and MSMEs. Our mission is to democratise data-driven decision-making process by equipping businesses with the ability to do the same.”
Veratech presently offers an AI-driven engine ‘Semantic’ that builds the risk profiles.
The output can be used for credit disbursement by banks, due diligence by lawyers and consultants, risk analysis by compliance professionals and VC/PE firms.

प्रतिजैविकांचा चेतापेशींवर दीर्घकालीन दुष्परिणाम

लंडन, पीटीआय

श्वसनमार्ग आणि मूत्रमार्गातील संसर्गावर वापरल्या जाणाऱ्या बहुसंख्य प्रतिजैविकांमुळे त्या रुग्णाच्या चेतापेशींची गंभीर आणि कायमची हानी होण्याची जोखीम सुमारे ५० टक्क्यांनी वाढते.

याबाबत इंग्लंडमधील डुन्डी विद्यापीठातील शास्त्रज्ञांनी अभ्यास केला आहे. त्यांनी यासंबंधात १३ लाख प्रौढ रुग्णांची माहिती तपासली आहे. या रुग्णांवर एक किंवा अनेक वेळा फ्लुरोक्युनोलोन किंवा अॅमॉक्सिसिलिन-क्लॅव्हॅलॅनेट या प्रतिजैविकांद्वारे उपचार करण्यात आले होते. हे उपचार करताना त्यांना परिधीय चेतापेशींचे कोणतेही निदान झालेले नव्हते.

मेदु किंवा मेरुरज्जूकडून शरीराच्या अन्य भागात येणारे संदेश ग्रहण करणाऱ्या किंवा तिकडे तसे संदेश पाठवणाऱ्या चेतापेशींचा परिधीय चेतासंस्थेत समावेश होतो. अशा परिधीय चेतापेशींच्या कार्यात बिघाड होण्यास फ्लुरोक्युनोलोन हे प्रतिजैविक कारणीभूत ठरत असल्याचे बऱ्याच काळापासून मानले जाते. हे प्रतिजैविक श्वसनमार्गाचे रोग, मूत्रमार्गाचा संसर्ग यांसह विविध रोगांवरील उपचारांत वापरले जाते. याबाबतचा अभ्यास 'जामा न्युरोलाईजी' या पत्रिकेत प्रसिद्ध झाला आहे. त्यानुसार, सध्या फ्लुरोक्युनोलोन या प्रतिजैविकाचा उपचारांत होणारा आंतरप्रवाही वापर

पाणी, रोजगाराच्या प्रश्नावर उपाययोजना आवश्यक -पवार

मुंबई: दुष्काळी भागात दिवसेंदिवस पाण्याची उपलब्धता कमी होत असून अनेकांना पिण्यायोग्य पाणी मिळत नसल्याच्या तक्रारी आहेत. त्याचबरोबर चारा छावण्यांचे प्रमाण वाढवण्याची गरज असून केवळ उसाच्या चाऱ्यामुळे गुरांच्या तोडात जखमा होत असल्याने दुसरा चाराही देण्याची सोय करावी आणि स्थलांतर रोखण्यासाठी रोहयोची कामे सर्वत्र उपलब्ध होतील याची काळजी घ्यावी, अशा प्रमुख मागण्या राष्ट्रवादी काँग्रेसचे अध्यक्ष शरद पवार यांनी मुख्यमंत्री देवेंद्र फडणवीस यांची भेट घेऊन केल्या.

त्यावर दुष्काळी भागात सर्वांना रेशनचे धान्य देण्याचा आदेश दिलेला असून चारा छावण्यांची संख्या व अनुदानही वाढवण्यात आले असून टॅंकरची संख्या वाढवण्यात येत असून सरकारने दुष्काळ निवारणासाठी सर्वतोपरी उपाययोजना करण्यात येत असल्याचे फडणवीस यांनी सांगितले. शरद पवार यांच्या नेतृत्वाखाली शिष्टमंडळाने वीस निवासस्थानी फडणवीस यांची भेट घेतली. ही बैठक संपल्यानंतर पाच-सात मिनिटे पवार आणि मुख्यमंत्री फडणवीस यांच्यात चर्चा झाली.

हिमालय पूल दुर्घटनेचा अंतिम अहवाल आयुक्तांकडे सादर

प्रतिनिधी, मुंबई

छत्रपती शिवाजी महाराज टर्मिनस परिसरातील हिमालय पूल कोसळून झालेल्या दुर्घटनेचा अंतिम चौकशी अहवाल बुधवारी चौकशी समितीने पालिकेचे नवे आयुक्त प्रवीण परदेशी यांच्याकडे सादर केला.

मात्र प्राथमिक अहवालात ठपका ठेवण्यात आलेले अभियंते वागळता अन्य कोणाच्याही नावांचा अंतिम अहवालात उल्लेख नसल्याचे समजते. तथापि, प्राथमिक अहवालात ठपका ठेवलेल्या अभियंत्यांची विभागीय चौकशी करण्याची शिफारस या अहवालात करण्यात आली आहे.

पालिकेने मुंबईमधील पादचारी पूल, उड्डाणपुलांची तपासणी करण्याचा निर्णय घेत तांत्रिक सल्लागारांची नियुक्ती केली होती. मात्र सुस्थितीत असल्याचा उल्लेख करीत अहवालात किरकोळ दुरुस्ती सुचविण्यात आलेला हिमालय पूल कोसळल्यामुळे तांत्रिक सल्लागारांच्या कामावरच प्रश्नचिन्ह निर्माण झाले

होते. त्यामुळे पालिका आयुक्तांनी मुंबईमधील सर्वच पुलांची फेरतपासणी करण्याचे आदेश तांत्रिक सल्लागारांना दिले होते. तसेच हिमालय पूल दुर्घटनेची चौकशी करण्यासाठी उपायुक्त (दक्षता) विवेक मोरे यांना दिले होते. मोरे यांनी या दुर्घटनेचा प्राथमिक अहवाल २४ तासांच्या आत पालिका आयुक्तांना सादर केला होता. या अहवालात अभियंता अनिल पाटील आणि संदीप काकुळते यांच्यासह अन्य काही अभियंत्यांवर ठपका ठेवण्यात आला होता. पाटील आणि काकुळते यांना निर्लंबित करून अटकही करण्यात आली. त्यानंतर पूल विभागाचे निवृत्त प्रमुख अभियंता शितलाप्रसाद कोरी यांनाही अटक करण्यात आली. अभियंत्यांना झालेल्या अटकेच्या पारवर्षभीवर पालिकेतील अभियंत्यांनी आंदोलनाचे हत्यार उपसले होते. मात्र प्रवीण परदेशी यांनी या प्रकरणात विभागीय चौकशी करण्याचे आरवासान अभियंत्यांच्या संघटनेला दिल्यानंतर आंदोलन रद्द करण्यात आले.

चंद्रकांत पाटील बारामतीत तळ ठोकणार

पवारांचे वर्चस्व मोडून काढण्याचे प्रयत्न

विशेष प्रतिनिधी, मुंबई

राष्ट्रवादी काँग्रेसचे अध्यक्ष शरद पवार यांचे वर्चस्व मोडून काढण्यासाठी ज्येष्ठ भाजप नेते व महसूलमंत्री चंद्रकांत पाटील यांनी पुढील काही महिने बारामतीमध्ये तळ ठोकण्याचा निर्णय घेतला आहे.

विधानसभा निवडणुकीच्या तयारीसाठी मी आता तेथे नियमित जाऊन पक्षाचा विस्तार व ताकद वाढविण्याचे काम करणार असल्याचे पाटील यांनी सांगितले.

लोकसभा निवडणुकीत पवार यांच्या वर्चस्वाला आव्हान देत बारामतीतील जागा जिंकण्याची घोषणा भाजप अध्यक्ष अमित शहा,

मुख्यमंत्री देवेंद्र फडणवीस यांनी केली होती आणि पाटील यांनी निवडणुकीच्या तयारीसाठी अनेक दिवस बारामतीत मुक्काम ठोकला होता. राष्ट्रवादी काँग्रेसच्या खासदार सुप्रिया सुळे यांनीही पाटील यांना टोला लगावत आमच्या विजयाचा गुलाल उधळण्यासाठी निकालाच्या दिवशी बारामतीला यावे, अशी टिप्पणी केली आहे. त्यावर बोलताना मी बारामतीला गुलाल उधळण्यासाठी व मिठाई खाण्यासाठी येणारच आहे, पण ती भाजपच्या उमेदवार कांचन कुल यांच्या विजयाची असेल, असे पाटील यांनी स्पष्ट केले.

पवार कुटुंबीयांच्या बारामतीतील वर्चस्वाला शह देण्यासाठी आगामी विधानसभा निवडणुका लक्षात घेऊन भाजपने मोर्चेबांधणी केली आहे. या परिसरात पक्षबांधणीकडे फारसे लक्ष दिले गेले नव्हते, पण आता ते करणार असल्याचे पाटील यांनी सांगितले.

अतिरिक्त जागा वाढविण्यास आणखी महिना वैद्यकीय पदव्युत्तर प्रवेश: राज्य सरकार अध्यादेश काढण्याच्या तयारीत

विशेष प्रतिनिधी, मुंबई

सर्वोच्च न्यायालयाच्या आदेशानुसार मराठा आरक्षणाअंतर्गत देण्यात आलेले वैद्यकीय पदव्युत्तरचे प्रवेश कायम ठेवण्यासाठी राज्य सरकार अध्यादेश जारी करण्याच्या तयारीत आहे.

विद्यार्थ्यांना दिलासा देण्यासाठी आचारसंहितेमध्ये परवानगी देण्यासाठी राज्य सरकारने निवडणूक आयोगाला साकडे घातले आहे. पदव्युत्तरची प्रवेश प्रक्रिया पूर्ण करण्यासाठी ३१ मेपर्यंत मुदत द्यावी, अशी विनंती करणारा अर्ज राज्य सरकारने बुधवारी सर्वोच्च न्यायालयात दाखल केला असल्याची माहिती महसूलमंत्री चंद्रकांत पाटील यांनी दिली.

अतिरिक्त जागा वाढविण्यासाठी केंद्र सरकार व वैद्यकीय शिक्षण परिषदेची परवानगी मिळविण्यासाठी एक महिना लागेल, असे पाटील यांनी स्पष्ट केले.

पदव्युत्तर वैद्यकीयची प्रवेशप्रक्रिया सुरू झाल्यावर मराठा आरक्षण लागू करण्यात आल्याचा मुद्दा मान्य करून उच्च न्यायालयाच्या नागपूर खंडपीठाने आणि सर्वोच्च न्यायालयाने मराठा आरक्षण लागू करण्यास मनाई केली. त्यामुळे सुमारे २९६ विद्यार्थ्यांना फटका बसणार आहे. प्रवेशांना संरक्षण द्यावे, यासाठी मराठा संघटना व विद्यार्थी आक्रमक असून आचारसंहिता लागू असल्याने सरकार हतबल आहे. सर्वोच्च न्यायालयाच्या निकालाचा परिणाम

निष्पन्न करणारा अध्यादेश जारी करून मराठा आरक्षणातून देण्यात आलेल्या प्रवेशांना संरक्षण देण्याचे राज्य सरकारचे प्रयत्न आहेत. या अध्यादेशालाही न्यायालयात आव्हान दिले जाईल, याची जाणीव सरकारला आहे. पण मराठा समाजाच्या दबावामुळे तो जारी केला जाणार असून या तोडग्यासाठी परवानगी देण्याची विनंती सरकारने आयोगाला केली आहे.

प्रवेशा प्रक्रिया पूर्ण करण्यासाठी सर्वोच्च न्यायालयाने २५ मेपर्यंत मुदत दिली आहे, ती ३१ मेपर्यंत वाढवून

देण्याची विनंती सरकारने न्यायालयास केली आहे. मात्र अध्यादेशास सर्वोच्च न्यायालयाने स्थगिती दिल्यास सरकारची पंचाईत होणार आहे. मराठा विद्यार्थ्यांचे प्रवेश कायम ठेवण्यासाठी अतिरिक्त जागा उपलब्ध करण्यास केंद्र सरकार व वैद्यकीय शिक्षण परिषदेची परवानगी लागणार आहे. केंद्रात नवे सरकार येऊन त्यांना धोरणात्मक निर्णय घ्यावा लागेल, परिषदेची तज्ज्ञ समिती पायाभूत सुविधांची तपासणी करेल, या प्रक्रियेस महिन्याचा कालावधी लागेल, असे पाटील यांनी सांगितले.

● NOTIFIED MOVE

Pak airspace to be shut for Indian flights till May 30

M ZULQERNAIN
Lahore, May 15

PAKISTAN ON WEDNESDAY decided not to lift its airspace ban for Indian flights till May 30, as Islamabad is awaiting the outcome of the Lok Sabha polls in India.

Pakistan fully closed its airspace after an Indian Air Force strike on a Jaish-e-Mohammed (JeM) terror camp in Balakot on February 26. However, Pakistan opened its airspace for all flights except for New Delhi, Bangkok and Kuala Lumpur on March 27.

"The top officials of defence and aviation ministries held a meeting on Wednesday to recon-

sider opening its airspace for Indian flights. They decided that Pakistan's airspace will remain banned for the Indian flights till May 30," a senior government official told PTI after the meeting. He said the Civil Aviation Authority has also notified the decision to the airmen. The au-

thority issued a notification (Notam) after the meeting to pilots, advising them of circumstances relating to the state of flying.

The official said the government will now consider lifting of the ban on Pakistan's airspace for Indian flights on May 30.

—PTI

Chanda Kochhar's brother-in-law moves court seeking cancellation of look-out circular

PRESS TRUST OF INDIA
New Delhi, May 15

FORMER ICICI BANK CEO Chanda Kochhar's brother-in-law Rajiv Kochhar moved a Delhi court Wednesday seeking cancellation of look out circular (LOC) against him in an alleged bank loan fraud and money laundering case registered against them.

The court is likely to hear the application on Thursday.

Chanda, her husband Deepak and Rajiv have been questioned by the Enforcement Directorate, which is probing the case under the Prevention of Money Laundering Act (PMLA).

Rajiv has been questioned by the CBI as well in the same case in the past as well. He is the founder of Singapore-based Avista Advisory.

Rajiv was asked by CBI

Rajiv Kochhar

sleuths about the help he had extended to Videocon in relation to a loan from ICICI Bank, which was part of a Rs 400-billion credit given by a consortium of 20 banks to the group's main promoter, Venugopal Dhoot.

The searches were conducted at the premises of Chanda, her family and Dhoot in Mumbai and Aurangabad.

ED registered a criminal case under the PMLA early this year against Chanda, Deepak, Dhoot and others to probe alleged irregularities and corrupt practices in sanctioning ₹1,875-crore loans by ICICI Bank to the corporate group. The action was based on an FIR registered by the CBI.

CBI has named the three as also Dhoot's companies -- Videocon International Electronics Ltd (VIEL) and Videocon Industries Limited (VIL) -- in its case.

The anti-corruption probe agency also named Supreme Energy, a company founded by Dhoot, and NuPower Renewables, a company controlled by Deepak, in the FIR.

It has slapped sections of the

Indian Penal Code related to criminal conspiracy, cheating and provisions of the Prevention of Corruption Act on all the accused.

The CBI alleged that Dhoot had invested in Nupower through his firm Supreme Energy in a quid pro quo to loans cleared by ICICI Bank after Chanda took over as the CEO of the bank on May 1, 2009.

The ownership of Nupower and Supreme Energy changed hands through a complex web of shared transactions between Deepak and Dhoot, the CBI alleged.

During its preliminary enquiry, the CBI found that six loans worth ₹1,875 crore were sanctioned to the Videocon Group and companies associated with it between June, 2009 and October, 2011 in alleged violation of laid-down policies of

ICICI Bank, which have now become part of the probe.

"Existing outstanding in the accounts of these private group companies were adjusted in Rupee Term Loan of ₹1,730 crore sanctioned by ICICI Bank under refinance of domestic debt under consortium arrangement on April 26, 2012," the CBI had said.

The loans were declared non-performing assets in 2012, causing a loss of ₹1,730 crore to the bank, it alleged.

The ED, the sources said, is also probing at least two other instances of loans given by ICICI Bank (during Chanda Kochhar's tenure) to Gujarat-based pharmaceutical firm Sterling Biotech and to Bhushan Steel group.

The agency is investigating these two instances of alleged bank loan fraud under the PMLA.

Monsoon likely to arrive 5 days late on June 6

PRESS TRUST OF INDIA
New Delhi, May 15

THE MONSOON IS likely to be delayed this year as its arrival expected on June 6, five days after its normal onset date, the India Meteorological Department said on Wednesday.

"This year, the statistical model forecast suggests that the monsoon onset over Kerala is likely to be slightly delayed," the IMD said. "The southwest monsoon onset is likely to set over Kerala on 6th June with a model error of plus or minus 4 days."

"Conditions are becoming favourable for advance of southwest monsoon over the southern part of Andaman Sea, Nicobar Islands and adjoining southeast Bay of Bengal during May 18-19," it added.

The normal onset date for monsoon over Kerala is June 1, which also marks the official commencement of the four-month rainfall season.

The IMD and private weather agency Skymet were unanimous

on the prediction of the late arrival of monsoon this year. The Skymet had said on Tuesday that the monsoon would hit the Kerala coast on June 4, with an error margin of two days.

If the monsoon arrives late, it will be third such instance since 2014 when it arrived on June 5, followed by June 6 in 2015 and June 8 in 2016.

The delay in the arrival of monsoon may not necessarily have an impact on the overall rainfall. Last year, it had hit Kerala on May 29, three days before the normal onset date. Yet, the

country received 'below-normal' rainfall.

Similarly, in 2017, the monsoon arrived in Kerala on May 30, but the overall rainfall was 95 per cent of the long period average (LPA), which falls under the below normal category.

In its initial forecast released in April, the IMD had predicted a near-normal rainfall with an LPA of 96 per cent, which falls on the border of 'below-normal' and 'normal' rainfall category. On the other hand, the Skymet has predicted a 'below-normal' rainfall with an LPA of 93 per cent.

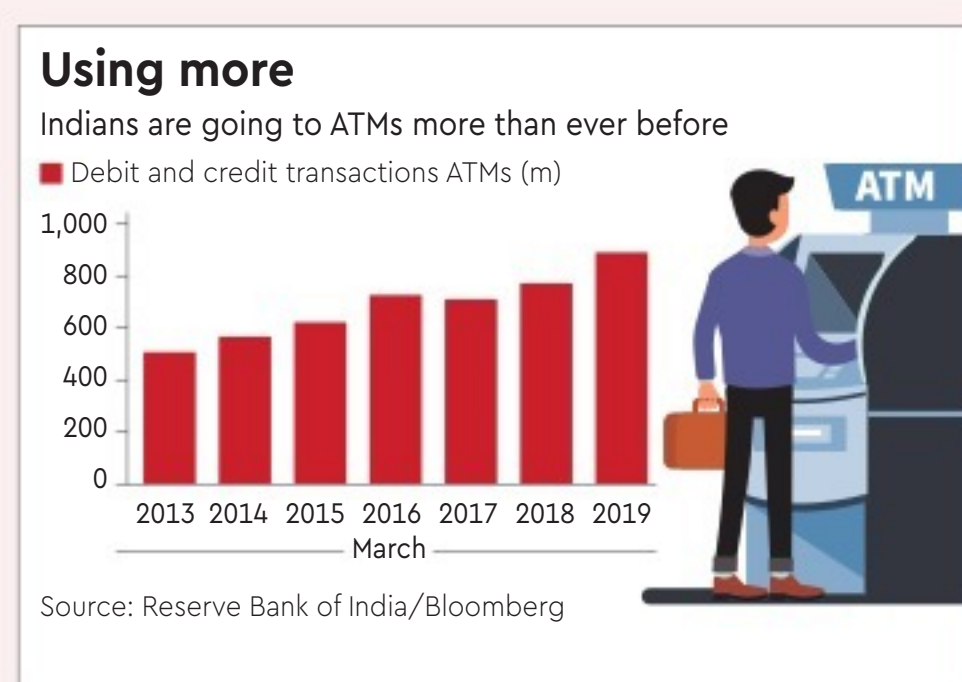

RAHUL SATIJA
Mumbai, May 15

FINDING AN ATM in India is getting tougher even as dependence on cash persists, thanks to tighter regulations that make it more costly to run the machines.

The number of automated teller machines in the country shrank in the past two years despite an increase in transactions, Reserve Bank of India (RBI) figures showed on Saturday. India already has the fewest ATMs per 100,000 people among BRICS nations, according to the International Monetary Fund (IMF).

The drop may continue as banks and ATM operators struggle to absorb the cost of software and equipment upgrades mandated by the central bank last year to bolster security.

That risks undermining Prime Minister Narendra Modi's campaign of increasing financial inclusion in a nation where cash remains king less

than three years after he pulled most banknotes from circulation.

"Declining numbers of ATMs will impact a large segment of the population, especially those who are socio-economically at the bottom of the pyramid," said Rustom Irani, managing director at Hitachi Payment Services, a provider of the machines. "Penetration in the country is already very low."

As security costs swell, ATM operators are being squeezed because the fees they rely on for revenue remain low and can't rise without the approval of an industry committee. ATM operators -- which include banks as well as third parties -- charge a so-called interchange fee of ₹15 to the lender whose debit or credit card is used for cash withdrawals.

"Interchange fees are the biggest factor behind muted

growth of ATMs. They have to reflect ground reality," said R. Gandhi, a former RBI deputy governor.

"Banks are finding it cheaper to pay interchange fees to other banks rather than operating their own ATMs."

Yet not everyone agrees that increasing fees is the solution. If they are raised, banks might pass the higher charges on to customers, according to R Subramaniam, chief executive officer at Indian Overseas Bank.

Access to basic financial services including ATMs has become more crucial after Modi added 355 million people to the banking system since taking office in 2014.

Many Indians opened accounts when the prime minister made 86% of banknotes illegal in November 2016.

That boosted direct transfers of welfare benefits to people's accounts, increasing reliance on ATMs.

Branch rationalization by some public-sector lenders is

another factor behind the drop in ATMs.

State Bank of India (SBI) cut 1,000 outlets in the first half of fiscal 2018 after acquiring five associate banks and a local lender.

Banks will rely less on branches in the future as digitization changes how the sector operates, said Dinesh Kumar Khara, a managing director at SBI. One in two ATMs are located at bank branches.

The declining number of ATMs is likely to further boost mobile banking, which is growing rapidly in a country with the world's largest millennial and Generation Z populations. The number of mobile banking transactions grew 65 times in the past five years alone.

"People are shifting to mobile apps," said Ashutosh Khajuria, chief financial officer at Federal Bank. "It's too early to write an obituary on ATMs but it's certainly declining. No one will invest in a declining proposition."

Jubilant FoodWorks Q4 Net up 9%

Our Bureau

New Delhi: Jubilant FoodWorks, the operator of Domino's Pizza and Dunkin' Donuts, on Wednesday reported an increase of 8.6% in net profit to ₹73.9 crore in the March quarter of FY19, against a net profit of ₹68 crore in the corresponding period of the previous financial year.

The company's sales rose 11% to ₹652.2 crore for the quarter ended March 31, 2019, compared with ₹778.9 crore in the corresponding year-ago quarter. Jubilant FoodWorks chief executive Pratik Puri said revenues were driven by same-store sales growth (SSSG) of 16.4% in the financial year.

The company said its books suffered a one-time loss of ₹7.9 crore because of closed stores in Sri Lanka.

Domino's online sales now contribute 75% of overall delivery sales, it said in a statement. In all, the company runs 1,558 restaurants across its Domino's and Dunkin' brands.

Mahindra Holidays Q4 PAT Declines

New Delhi: Mahindra Holidays & Resorts India on Wednesday reported a standalone profit after tax (PAT) of ₹1.4 crore for the fourth quarter ended March 31, 2019. The company had posted a standalone PAT of ₹38.5 crore in the same quarter a year ago. It said in a regulatory filing, - PTI

Piramal Realty Aims to Double its Portfolio

Real estate subsidiary of Piramal Group is also open to roping in more foreign investors to support its growth, going forward

Kaliash.Babar@timesgroup.com

Mumbai: Piramal Realty, the real estate development arm of Piramal Group, is looking to double its portfolio of under-construction projects to nearly 30 million sq ft over the next two years through a combination of outright land buys and alliances, said a top executive of the company.

"The real estate sector is going through a rough patch but this is also a good time for those who can attract capital as we can see good opportunities around. Developers with expertise, credibility, financial muscle have done well and will continue to do so," Anand Piramal, executive director of the

group, told ET. More than land owners, realty developers are looking to monetise their projects and these are with approvals, he said while highlighting the opportunities.

Piramal Realty, which counts Goldman Sachs and Warburg Pincus as its investors, is open to roping in more foreign investors to support its growth, going forward. Currently, the company has projects with total 15 million sq ft space under construction in Mumbai. Of this 20% is commercial, while the rest is residential development.

According to Piramal, the company has clocked sales of over ₹5,400 crore in FY19 (April-March) and

The real estate sector is going through a rough patch, but this is also a good time for those who can attract capital as we can see good opportunities around. Developers with expertise, credibility and financial muscle have done well and will continue to do so

ANAND PIRAMAL
Executive Director,
Piramal Group

has emerged as the second and fifth-largest realty developer in Mumbai and India, respectively.

We have aggressive growth plans for both residential and commercial segments. We would look at a growth rate of around 20% CAGR (compounded annual growth rate) for the next decade," he said while highlighting the company's growth plan.

The disruption caused by policy and regulatory changes — the Real Estate (Regulation & Development) Act, 2016, demonetisation, the Goods & Services Tax and Insolvency & Bankruptcy Code — over the past couple of years has created a new business environment.

The inability of smaller play-

ers to adhere to new rules and regulations could prompt them to either merge with or be acquired by bigger companies. An entry barrier has been created for non-serious players because of RERA, leading to an opportunity for the established players to fill in the vacuum," he said.

According to Piramal, several small developers will opt for an alliance with large and corporate developers that will be complementary integration for both parties in terms of the expertise of the local by-laws and land readiness brought to the table by the local smaller player, while sales and operational know-how brought in by the bigger developer.

EXAMINATION FOR CONFIRMATION OF ENROLLMENT OF GST PRACTITIONERS

The National Academy of Customs, Indirect Taxes and Narcotics (NACIN) has been authorised to conduct an examination for confirmation of enrollment of Goods and Services Tax Practitioners (GSTPs) in terms of the sub-rule (2) of Rule 83 of the Central Goods and Services Tax Rules, 2017, vide Notification No. 24/2019-Central Tax dated 28.5.2019.

The GSTPs enrolled on the GST Network under sub-rule (2) of Rule 83 and covered by clause (a) or sub-clause (1) of Rule 83, i.e. those meeting the eligibility criteria of having enrolled as sales tax practitioners or tax return preparers under the existing law for a period not less than five years, are required to pass the said examination before 31.12.2019 in terms of Notification No. 02/2019-Central Tax dated 28.5.2019. Two such examinations for such GSTPs have already been conducted on 31.12.2018 and 17.12.2018. The next examination for them shall be conducted on 14.06.2019 from 11.00 hrs to 1.30 PM at designated examination centres across India.

It will be a Computer Based Exam. The registration for the exam can be done by the eligible GSTPs on a registration portal, link of which will be provided on NACIN and CBIC websites. The registration portal for exam scheduled on 14.06.2019 will be activated on 21st May, 2019 and will remain open up to 4th June, 2019. For convenience of candidates, a help desk will also be set up, details of which will be made available on the registration portal. The applicants are required to make online payment of examination fee of Rs.500/- at the time of registration for this exam.

Paper, GST Law & Procedures:
Time allowed: 2 hours and 30 minutes
Number of Multiple Choice Questions: 100
Language of Questions: English and Hindi
Maximum marks: 200
Qualifying marks: 100
No negative marking.
Syllabus:
1. Central Goods and Services Tax Act, 2017
2. Integrated Goods and Services Tax Act, 2017
3. State Goods and Services Tax Act, 2017
4. Union Territory Goods and Services Tax Act, 2017
5. Goods and Services Tax (Composition to States) Act, 2017
6. Central Goods and Services Tax Rules, 2017
