Mehul Choksi case: India approaches Dominica HC

The country seeks to be impleaded as a party in the case filed by lawyers of the absconding businessman

PRESS TRUST OF INDIA
New Delhi, June 12

INDIA HAS APPROACHED the Dominica High Court seeking to be impleaded as a party in the case filed by lawyers of absconding businessman Mehul Choksi whose bail was rejected by the High Court after a five hour long hearing, sources said here.

The CBI and external affairs ministry have sought to implead in the Habeas Corpus matter, which seeks return of Choksi to Antigua and Barbuda, by filing two affidavits in Dominica High Court, officials said here. The central agency is likely to focus on establishing criminal culpability of Choksi, his fugitive status, pending warrants against him, Red Notice and charge sheets while the external affairs ministry will argue that Choksi continues to be an Indian citizen, they said.

The affidavits, if admitted by the High Court, will pave way for noted lawyer Harish Salve to plead India's case in Dominica, they said. On Friday, Dominica High Court, in a separate matter, had denied bail to Choksi calling him a flight risk after a five-hour-long court proceeding through video conferencing.

Justice Wynante Adrien-Roberts ruled that "the court cannot impose any condition that will assure Choksi will not abscond," Dominica News online reported from the island country. Choksi's lawyers vehemently sought bail arguing that allegations of "illegal entry" should be discarded because as "a Caribbean Community (CARICOM) citizen, he is entitled to such benefits since his allege offense is not of a serious nature", the report said.

Diesel price breaches ₹100-per-litre mark in Rajasthan

PRESS TRUST OF INDIA
New Delhi, June 12

DIESEL PRICE ON Saturday breached the ₹100-per litre mark in Rajasthan after yet another increase in fuel rates, which also led to Karnataka becoming the seventh state to record ₹100 a litre petrol.

Petrol price was hiked by 27 paise per litre and diesel by 23 paise, according to a price notification of state-owned fuel retailers. The hike —23rd since May 4 — pushed fuel prices across the country to new historic highs. In Delhi, petrol hit an all-time high of ₹96.12 a litre, while diesel is now priced at ₹86.98 per litre.

Fuel prices differ from state to state depending on the incidence of local taxes such as VAT and freight charges. And because of this petrol retails at over ₹100 per litre mark in six states and Union Territories — Rajasthan, Madhya Pradesh, Maharashtra, Andhra Pradesh, Telangana and Ladakh.

Karnataka got added to that list with many places in the state, including Bidar, Bellary, Koppal, Davanagere, Shimoga and Chakmangalur recording over ₹100 per litre petrol.

Petrol in the state capital Bengaluru is priced at ₹99.39 per litre and a litre of diesel comes for ₹92.27. Sri Ganganagar district of Rajasthan near the India-Pakistan border was the first place in the country to see petrol hit ₹100 a litre-mark in mid-February and on Saturday it also earned the distinction of diesel crossing that psychological mark. Petrol in the city is sold at ₹107.22 a litre — the highest rate in the country, and diesel comes for ₹100.05.

Niti CEO: Aurangabad needs international airport for overall growth

PRESS TRUST OF INDIA
Aurangabad, June 12

Niti CEO Amitabh Kant

NITI AAYOG CEO Amitabh Kant on Saturday said for its overall growth, Maharashtra's Aurangabad needs an international airport facility and an international convention centre, which will boost tourism and industries in the region. Kant is on a two-day visit to survey the work at Aurangabad Industrial city (AURIC), established under the Delhi Mumbai Industrial Corridor (DMIC) project, and took a tour of the Shendra node on Saturday. "The project will change the entire region in the next five years. Earlier, it took 20 to 40 years to establish cities such as Gurgaon and Noida. But a ready infrastructure has been provided here before industries come to set up. At least 73 units have been installed here so far," the official said. The two nodes of AURIC, Shendra and Bidkin, will be connected by a highway, he said.

"It is now important to expand the Aurangabad airport and convert it into an international facility. I will talk to the Airport Authority regarding this. Apart from this, the region also needs an international convention centre, which can be connected to tourism here," Kant said.
