NIIT UNVEILS THE FIRST 'NIIT ONE WORLD' CENTRE IN COIMBATORE

- *First of its kind one-stop career building centre for students and professionals towards multiple sectors including IT*
- *A novel concept to synergize NIIT's cross domain training expertise with three decades of training experience, under one roof*

Coimbatore, June 22, 2011: NIIT Limited, leading Global Talent Development Corporation and Asia's largest IT trainer, today announced the launch of its first **NIIT One World** Centre in Coimbatore. NIIT One World is the first-of-its-kind training institute that will serve as a one-stop destination for providing quality training to students and professionals across multiple domains, such as Information Technology including ERP systems, Banking and Finance, Management and Business Process Outsourcing. The centre was launched in the presence of World Chess Champion Viswanathan Anand, by G. Raghavan, Chief Executive- Career Building Solutions, NIIT Ltd. The event was also graced by Dr. E. Balagurusamy, former Vice Chancellor of Anna University, Chennai and former Member of Union Public Service Commission.

The NIIT One World Centre at Coimbatore is the first of many centres that NIIT will establish in the coming years.

NIIT One World aims to synchronize NIIT's cross domain training expertise with a proven training experience of three decades. Career aspirants wanting to augment their formal education with career-oriented training, will no longer need to go to various centres to seek professional advice to select programs mapped to their aptitude. All they will need to do now is come to NIIT One World Centre and seek counseling across multiple domains and sectors. This will enable them to take a more informed decision on their career from various options available.

NIIT One World Centres will be equipped with state-of-the-art advanced labs and infrastructure that enable hands-on practice, collaborative learning and comprehensive job-readiness with a superior student experience.

Under IT training, the courses on offer are industry-endorsed programs for students seeking careers in IT – the flagship GNIIT program, the Edgeineers series of short-term Technology courses and Global Net Plus programs in the Networking domain. Students can join programs offered for the Banking career by Institute of Finance, Banking & Insurance, a NIIT-ICICI Bank joint venture, in the same NIIT One World Centre. Also, students seeking to join the BPO industry can get trained in necessary skills by NIIT Institute of Process Excellence, an NIIT-

In this context, I congratulate NIIT on the launch of the first NIIT One World centre at Coimbatore."***

Coimbatore is a major education hub with a well established and reputed list of industries in and around the city.
