NIIT Launches 'NIIT eGuru Math Lab' at Ryan International School, Bangalore

- A Revolutionary Concept Aimed to Make Learning Mathematics Simple & Fun for Students

Bangalore, 7 January, 2011: Launching a breakthrough initiative that aims at making the vital subject of mathematics simpler, easier and fun to learn for school students, leading Global Talent Development Corporation and Asia's largest IT trainer- NIIT, today installed the state-of-the-art 'NIIT eGuru Math Lab', at Ryan International School in Bangalore. Ms. Grace Pinto, Managing Director, Ryan International Group of Institutions, inaugurated the revolutionary concept in presence of Lt. Col. Tarun Govind Mathur, Vice-President, School Learning Solutions, NIIT Ltd.

'NIIT eGuru Math Lab' is a novel concept which enables school students to learn and explore mathematical concepts and verify mathematical facts and theorems using Multiple Teaching and Learning Aids .

Lt. Col. Tarun Govind Mathur, Vice-President, School Learning Solutions, NIIT Ltd., commented, *"NIIT is committed to make education more impactful, interactive and fun filled for teachers and students alike. 'NIIT eGuru Math Lab' is yet another initiative by us to make the present curriculum simpler and interesting, thereby bringing back the joy of learning Mathematics. We are delighted to now launch our 'NIIT eGURU Math Lab' at Ryan International School, Bangalore, that will help young Ryanites comprehend the subject better."*

Speaking at the launch of 'NIIT eGuru Math Lab', Ms. Grace Pinto, Managing Director, Ryan International Group of Institutions, said, *"We are pleased to announce our partnership with NIIT Ltd, to enable school students to learn, verify and explore mathematical concepts, facts and theorems by leveraging technological tools in making education more impactful and interactive. Based on the three pillars of 'Imagination, Investigation and Interaction', NIIT's Math Lab will provide an opportunity to students to understand, internalize, discover and verify the basic mathematical and geometrical concepts through concrete objects and situations, thus building interest and confidence in students learning the subject. The laboratory also allows and encourages the students to think, discuss amongst themselves as well as with the teachers, and assimilate concepts."*

In addition to providing greater scope for individual participation in the process of learning and becoming autonomous learners, the Math Lab also enables the teacher to demonstrate, explain and reinforce abstract mathematical ideas by using concrete objects, models, charts, graphs, pictures, posters, etc.

NIIT recently associated with the Government of Gujarat to set a New Guinness World Record in simultaneous Chess, where 20,480 players played Chess together, under the guidance of World Chess Champion and NIIT MindChampion Viswanathan Anand.

About Ryan International Group of Institutions

The Ryan International Group of Institutions (RIGI) blend high value deliveries with modern learning tools to ensure that each of the institution has a safe, healthy, positively energizing, intellectually challenging, learning & enjoyable environment, committed to engage students in active, collaborative & technology based learning methodologies & to develop formative & summative assessments of students learning.

RIGI started its first school in Mumbai way back in 1976 & after a span of 30 years, have grown into a total of 105 institutions, providing quality education to a total of 200,000 students, facilitated by ten thousand educators who are trained to channelize all their energy & resources towards child centered qualitative learning.

The RIGI institutions were amongst the first to introduce comprehensive education on environmental conservation, personality development & computer education. The Group has a five- pronged approach (KASSM) for the overall development of the students – Knowledge, Attitude, Skills, Social Values & Moral Values.

The group owes its success to the excellent team developed by the Founder Chairman Dr. A. F. Pinto, who is ably supported by its Managing Director Madam Grace Pinto.

About NIIT

NIIT Limited, leading Global Talent Development Corporation and Asia's largest IT trainer, offers learning and knowledge solutions to over 5 million students across 40 countries.

Leading IT magazine Dataquest has conferred upon NIIT, the 'Top IT Training Company' award successively for the past 18 years, since the inception of this category. Rated among India's Business Superbrands 2008, NIIT's Individual Learning Business offerings include industry-endorsed programs for students seeking careers in IT - GNIIT, Edgeineers and Global Net Plus for IT professionals.

NIIT has provided computer-based learning to over 15,000 government and private schools. The futuristic NIIT eGURU range for schools is a holistic education package that comprises of Interactive Classrooms (an embedded Teaching Learning Material, that uses elements of interactivity, automation and web links library); Math lab (technology tools that enable school students to learn and explore mathematical concepts); IT Wizard (equips the students with core computer knowledge and IT skills); and Quick School (an Education Resource Planning solution for school management).

For working professionals, NIIT Imperia, Centre for Advanced Learning, offers Executive Management Education Programs in association with Indian Institutes of Management (IIMs) at Ahmadabad, Indore, Kolkata, Lucknow, IMT Ghaziabad and IIFT Delhi.

NIIT Institute of Finance Banking & Insurance (IFBI), formed by NIIT with equity participation from ICICI Bank, offers programs for individuals and corporates in Banking, Financial Services and Insurance.

NIIT Uniqua, Centre for Process Excellence, addresses the increasing demand for skilled workers in the business and technology services industry by providing training programs in relevant areas. This is a part of NIIT Institute of Process Excellence, a NIIT-Genpact venture.

NIIT's Corporate Learning Solutions, offers integrated learning solutions (including strategic consulting, learning design, content development, delivery, technology, assessment and learning management) to Fortune 500 companies, Universities, Technology companies, Training corporations and Publishing houses.

NIIT delivers a tailored combination of catalog learning products, technology and services through Element K offerings. These include: vLab®: hands-on labs, instructor-led courseware, comprehensive e-reference libraries, technical journals, and KnowledgeHub™: hosted learning management platform. This makes NIIT the first and the best choice for comprehensive learning solutions, worldwide.

Ushering in a new model in higher education is the not-for-profit NIIT University, established in 2009 with a vision of being the leading centre of innovation and learning in emerging areas of the Knowledge Society. Nestled in the foothills of Aravali, in Neemrana, Rajasthan, the picturesque 100 acres fully residential green campus has been developed as an institute of excellence based on the four core principles of providing industry linked, technology based, research driven, seamless education
