Press Release

NIIT MTS Earns 39 Brandon Hall Technology Excellence Awards Jointly with Customers, 2024

Atlanta, GA, December 17, 2024: NIIT Learning Systems Limited [NIIT Managed Training Services (NIIT MTS)] (Ticker Symbol: NIITMTS), a global leader in managed learning services, announced that it has earned 39 Brandon Hall Technology Excellence awards jointly with customers. The Excellence in Technology Awards recognize the most innovative and impactful applications of technology in learning and development, talent management, talent acquisition, HR, workforce management, and sales enablement.

NIIT earned 31 gold, 7 silver, and 1 bronze award, jointly with our clients MetLife and Unilever.

The complete list of NIIT's awards is available [here](#).

"The Excellence in Technology Awards continues to showcase the pinnacle of innovation in the HCM space. The submissions we received this year represent groundbreaking solutions across learning, talent management, talent acquisition, HR, workforce management, and sales enablement technologies. The global diversity of our applicants reflects how technology is breaking down barriers and reshaping the future of work," **said Rachel Cooke, Chief Operating Officer of Brandon Hall Group™.**

The award entries were evaluated by a panel of veteran industry experts and Brandon Hall Group's senior analysts. Winners were selected based on their ability to demonstrate innovative solutions to critical business challenges, measurable results, unique differentiators, and clear technological advancement.

All award winners will be honored at Brandon Hall Group's [HCM Excellence Conference and Awards Gala](#), January 28–30, 2025, at the Hilton West Palm Beach, Florida.

"Winning the prestigious Brandon Hall Technology Awards reflects our commitment to driving global innovation and impact through transformative learning platforms. The Distribution Academy, created in collaboration with MetLife, sets a new benchmark for learning technology, delivering measurable business outcomes and a superior learning experience worldwide. Additionally, our in-house AI products and technological advancements in learning design are redefining the future of learning, and talent management. Together, these innovations empower our customers to scale, adapt, and thrive in a rapidly evolving learning landscape, creating unparalleled value for their business," **said DJ Chadha, Chief Customer Officer at NIIT MTS.**
