'Great Place To Work® Institute' recognizes NIIT Technologies as one of India's Best IT - BPM Company to Work For

Ranks among the 'Top 5 large organizations'

New Delhi, July 24, 2015: NIIT Technologies Limited (NSE: NIITTECH), a leading global IT solutions organization has been recognized as one of India's '**50 Best IT- BPM Company to Work For in 2015**' by '**Great Place To Work® Institute**'. Additionally, the Company has also been conferred as the '**Top 5 large organizations**' in the IT-BPM domain which include companies having over 5000 employees.

The survey conducted by '**Great Place To Work® Institute**' assessed over 135 companies from the Indian IT-BPM industry through two different lenses: TrustIndex®, employee survey to gather employees' experience at their organization and an assessment of the existing policies and programs, captured through the Culture Audit®.

Ms. Rosita Rabindra, Chief People Officer, NIIT Technologies Ltd. said, "Two years ago the Company embarked upon its biggest cultural change journey to address the changing expectations of its clients. The journey aims at '**Uplifting Service Levels**' through the Company's service vision of 'New Ideas, More Value'. This vision has become the backbone of the key HR practices for the organization".

NIIT Technologies has scored high on its '**Inspiring**' and '**Developing**' practices. The "Inspiring" practice hinges on "**Role Models**", employees who have done exemplar work and "**Success Stories**", successful work which has delivered quantifiable benefits to the customer. The "**Developing**" practice focuses on providing the employees with a multi catalyst career development approach.

NIIT Technologies is a 'people centric' organization committed towards offering its employees a challenging & fulfilling environment which is transparent, innovative and development oriented. The company also has a strong Rewards & Recognition (R&R) philosophy that focuses on fostering a culture of appreciation, encouraging value creation and promoting innovation at the workplace.
