

NIIT Technologies appoints Patrick Grubbs as Senior Vice President of Travel, Transport & Logistics Vertical

Appointment Strengthens NIIT Tech's Travel Leadership Team and Renews Focus on Growth

New Delhi, India - 7th June, 2012: NIIT Technologies Ltd. (NSE: NIITTECH), a leading IT solutions organization today announced the appointment of Patrick Grubbs as Senior Vice President for the Travel, Transport & Logistics (TTL) vertical at NIIT Technologies Inc. Most recently, Grubbs was the Vice President & Global Head of HCL AXON's travel business. He has more than 24 years of experience in the travel industry.

As Senior Vice President, Grubbs will be responsible for managing and developing the travel business for NIIT Technologies in the Americas market.

Commenting on the appointment, Lalit Dhingra, President, NIIT Technologies Inc. said, "We are happy to welcome Patrick into our leadership team. With the significant success in our travel business, we look forward to an even more successful year under Patrick's leadership".

"I look forward to contributing to NIIT Technologies' already strong travel business," said Grubbs. "It will be exciting to offer customers our expertise as well as the wide range of our capabilities to deliver exceptional value. My focus in the coming months will be to grow the travel business and continue to focus on delivering value to our customers".

Grubbs holds a Master of Business Administration from SMU's Edwin L. Cox School of Business in Dallas, Texas and a Bachelor of Arts from the University of California at Santa Barbara. Previously, he worked with Oracle Corporation, Sabre Holdings, American Airlines and United Parcel Service.
