NIIT Technologies Ranked No.1 globally among IT Outsourcers in Travel Industry Survey

Receives Top Honors consecutively for the third year in a row

New Delhi, 9th February, 2011, Wednesday: NIIT Technologies Limited, the global IT services provider headquartered in New Delhi, has secured top honors of No.1 ranking among all IT Outsourcers in the Datamonitor Black Book of Outsourcing 2010 Travel Industry survey. Datamonitor Black Book of Outsourcing survey is the world's largest investigation into customer satisfaction with IT Outsourcing.

The survey was conducted by evaluating outsourcing vendors across 13 key performance indicators of operational excellence. The survey findings have been compiled from more than 6500 buyer and user responses.

This is the third consecutive year where NIIT Technologies has secured the No. 1 position in the survey.

"We have a vision to be the first choice of customers in the segments we serve" said Mr. Arvind Thakur, CEO, NIIT Technologies. "Securing the top position repeatedly amongst all IT outsourcers firmly establishes the superior value of our service to the travel industry" added Mr. Thakur.

NIIT Technologies provides IT solutions to select industry segments. Travel & Transportation is a segment from which the company derives over 31% of its revenues. It has over 50 customers including major airlines like British Airways, Cathay Pacific and Emirates.

Mr. Narayanan Kallapiran, Senior Vice President and Head – Travel & Transportation Practice, NIIT Technologies Ltd. said, *"NIIT Technologies has widespread Travel business knowledge and deep understanding of unique technologies deployed by the industry. The survey recognizes the long history of success arising out of our specialization in this segment".*

The criteria for the rankings were on the foundations such as Relevance to Customer Satisfaction, Capabilities, Problem Resolution, Skills and Resources, Risk Mitigation and Partnership Approach.
