

NIIT Technologies acquires IT firm specializing in Travel and Financial Services

Acquisition expands Company's European footprint

New Delhi, India, 16th August, 2011, Tuesday: NIIT Technologies Limited, a global IT solutions organization, announced the acquisition of Proyecta Sistemas de Informacion S.A. (Proyecta), a software services company headquartered in Madrid.

The acquisition enables NIIT Technologies to enhance its European footprint with Proyecta's successful experience in servicing industry leaders in the Travel and Financial Services segments. This coagulates NIIT Technologies front-end capabilities for larger European engagements and provides a gateway to the traditional Spanish speaking countries in Latin America.

"We welcome Proyecta to NIIT Technologies as we strengthen our Travel and Financial Services offerings in the region," said **Sunil Surya, President, NIIT Technologies, Europe**. "Our comprehensive range of complementary services will strengthen our ability to serve our clients as a trusted IT partner".

Proyecta S.A. with over 100 consultants has deep domain capabilities and proven track record of providing experts and high value added Airlines and Banking consultants in Spain. It has a strong relationship with leading industry players in business intelligence, web and mobility applications.

"NIIT Technologies comprehensive offerings would enable us to provide our customers with a wider and deeper range of services" said **Francisco Izuzquiza, Founder and Director, Proyecta Sistemas de Informacion**.

NIIT Technologies EMEA presence contributes to 35% of its global revenue. The Company is ranked No.1 in customer satisfaction among all global outsourcers in the Datamonitor Black Book of Outsourcing 2010 Travel Industry survey and has held this position for three consecutive years.
