NIIT FORGES ALIANCE WITH SALESFORCE.COM

- ***Signs Authorized Training Reseller Agreement to offer Training Programs on Salesforce.com CRM Management and Force.com***

- ***Charts Challenging Career Opportunities in Cloud Computing***

New Delhi, December 07, 2010: NIIT, leading Global Talent Development Corporation and Asia's largest IT trainer, has signed an Authorized Training Reseller Agreement with Salesforce.com, the enterprise cloud computing company and leader in customer relationship management. Under this agreement, NIIT will offer training programs on Salesforce.com CRM Management and Force.com.

NIIT will now become Salesforce's authorized training reseller across India to promote, sell and deliver these courses from Salesforce. The company will offer training programs in Salesforce CRM for Administrators, Developers, and Consultants and to the working professionals and freshers as well. The programs will help professionals acquire valuable industry credentials that will enhance their skill set to their employers and to the marketplace. NIIT will offer these training programs across key markets in India.

The program, developed and managed by Salesforce.com, equips professionals with the latest cloud computing technologies. The program will train Salesforce CRM administrators, developers, consultants, working professionals and freshers to effectively implement and manage Salesforce products.

Mr. Manish Mohan, Senior Vice President, India Enterprise Solutions, NIIT Ltd., said, ***"We are pleased to associate with Salesforce, the pioneers in enterprise cloud-computing. The program will provide working professionals, a power-packed combination that will significantly enhance their skill-sets, thus opening a new world of opportunities in Salesforce CRM/ Cloud Computing."***

"Salesforce, the enterprise cloud computing company, is proud to partner with NIIT as one of our Authorized Training Partners in India. This partnership will enable students and professionals in India to acquire the skills and certification on the Salesforce CRM applications and the platform. We will leverage NIIT's extensive track record of training to create a certified pool of professionals for the global cloud computing space", said **Chris Rauch, Senior Director of Worldwide Training & Certification at Salesforce.com.**

For Salesforce CRM administrators and Force.com developers, the training program will help to enhance their skills, advance careers, and get the most out of Salesforce applications and the Force.com platform.
