Dear Pavan,

After lot of thought and deliberation I have decided to step down from my position of CSO . It's been a tough time for me personally over the past 2 months on health front and am yet to recover from the same. I am taking this decision purely to come out of this difficult situation ...It was not easy for me to take this decision, but I believe this break is required for me at this juncture to cope up with my health issues. .

I will ensure I handle all my commitments as per your advice till I leave.

I thank you for all the support you gave me during my tenure in INL.

Regards
binu
