Nitiraj Engineers bags order from Government of Maharashtra for Mother and Child Weighing Scales

Supplying 79,741 weighing scales, 150 kgs capacity with BMI facility worth Rs 11.87 crore

Mumbai, November 12, 2018: Nitiraj Engineers, leading manufacturer of electronic & mechanical weighing scale machines has announced that the company has received an order worth of Rs. 11.87 crore from Integrated Child Development Services Scheme (ICDS) an organisation of Women and Child Development Department of Maharashtra. The company will be supplying 79,741 mother and child weighing scales, 150 kgs capacity with BMI facility. The entire order would be executed during the current financial year.

The healthcare for the mother and the child has become the focus area for the Government of India and State Governments. Nitiraj is currently bidding for weighing scales orders from various State Governments. As the allocation of taxes from Centre Government has increased to States, the States Governments spend on welfare schemes have been increasing drastically. These weighing machines will help to accurately identify weight and this machine also has the facility to measure the BMI.

Commenting on this occasion Mr. Rajesh Bhatwal Managing Director said that “We are happy to receive sizable order. With this we are confident of delivering good growth for the current year. Over the years we have seen that the Mother and Childcare segment is growing progressively and there is remarkable growth expected during the current year and years to come”

Nitiraj currently manufactures electronic weighing machines and systems, currency counting machines and digital fare meters. The user industries for its products spread across sectors like jewellery, Banks, NBFCs, Kirana Stores, commercial establishments, healthcare centers, hospitals, Governments of States and Central Government, transportation.

The company has 13 branch offices spread across India with 430 dealers selling its range of products. The company has state of the art manufacturing plant at Parwanoo in Himachal Pradesh and upcoming plant at Dhule MIDC.
