## **NIIT MTS Earns 64 Brandon Hall Technology and Education Technology Excellence Awards Jointly with Customers, 2025**

**Atlanta, GA, December 10, 2025:** NIIT Learning Systems Limited [NIIT Managed Training Services (NIIT MTS)] (Ticker Symbol: NIITMTS), a global leader in managed learning services, announced that it has earned 64 Brandon Hall Technology and Education Technology Excellence awards jointly with customers. The HCM Excellence in Technology and Education Technology Awards are widely recognized as the most rigorous and prestigious honors in innovation across Human Capital Management and learning technologies.

NIIT MTS earned 52 Gold, 7 Silver, and 5 Bronze awards, in partnership with clients such as MetLife, Century 21 Heritage Group, The Writing Revolution, and Unilever, as well as for its proprietary AI solutions - NVerse, Spotter, NCAP, and XpertIX.

The complete list of NIIT's awards is available [here](#).

*"The Excellence in Technology and Education Technology Awards celebrate the most forward-thinking innovations shaping the future of learning, talent, and human capital management. This year's winners exemplify how technology can unlock new possibilities – improving performance, enabling smarter decision-making, personalizing learning at scale, and transforming how organizations and institutions support and develop their people,"* said **Rachel Cooke, Chief Operating Officer of Brandon Hall Group™**

The award entries undergo a rigorous, multilayered evaluation process to ensure fairness, consistency, and objective assessment. They are reviewed by an international panel of independent experts with deep experience in learning sciences, instructional design, HR technology, leadership development, educational research, organizational development, and workforce transformation. All award winners will be honored at Brandon Hall Group's [HCM Excellence Conference](#), February 9-12, 2026, at the Hilton West Palm Beach, Florida.

*"These recognitions reflect a shared commitment with our customers to deliver learning that drives business performance. Our first win with The Writing Revolution shows how AI-powered coaching and activity generation can scale proven methodologies quickly and widely. Across global enterprises such as MetLife, Century 21 Heritage Group, and Unilever, our AI solutions and tech innovations are strengthening frontline capabilities and operational readiness. We use AI as a strategic enabler, transforming how learning is designed, delivered, and scaled. Our investments in advanced tools are reducing development cycle times and simplifying expert collaboration, allowing us to respond faster to evolving business priorities,"* said **DJ Chadha, Chief Customer Officer at NIIT MTS**.

**Please note:** Brandon Hall Group is a professional development company that offers data, research, insights, and certification to Learning and Talent executives and organizations and is not related to NIIT MTS.
