Press Release

NIIT MTS Ranked Among Training Industry's Top 20 Experiential Learning Technologies Companies, 2025

Atlanta, GA, September 11, 2025: NIIT Learning Systems Limited [NIIT Managed Training Services (NIIT MTS)] (Ticker Symbol: NIITMTS), a global leader in managed learning services, announced that it has been named to the 2025 Top 20 Companies in Experiential Learning Technologies by Training Industry, Inc., for the fifth consecutive year.

Training Industry, the leading research and information resource for corporate learning leaders, prepares the Training Industry Top 20 report on critical sectors of the corporate training marketplace to better inform professionals about the best and most innovative providers of training services and technologies.

Selection to the 2025 Training Industry Top 20 Experiential Learning Technologies Companies List was based on the following criteria:

- Scope and quality of features, capabilities and analytics.
- Market presence, brand visibility, innovation and impact.
- Strength of client portfolio and customer relationships.
- Business performance and growth trajectory.

"This year's Top 20 Experiential Learning Technologies list highlights a group of providers that are redefining immersive and engaging learning experiences. These companies leverage tools such as augmented and virtual reality (AR/VR), digital environments, serious games and advanced gamification to not only capture learner attention and improve retention, but also to help organizations reduce risk, manage costs and enhance quality outcomes." said **Jalen Banks**, market research analyst at Training Industry, Inc.

"We are proud of this recognition from Training Industry, which highlights our leadership in experiential learning technologies. At NIIT, we go beyond delivering engaging simulations, designing immersive learning that transforms learner experience, and drives measurable business outcomes. By combining award-winning instructional design methodologies with powerful technology stack, and customized digital reality roadmaps, we make immersive learning scalable, accessible, and business-aligned for our enterprise customers", said **DJ Chadha**, Chief Customer Officer, NIIT MTS.

(Disclaimer: NIIT MTS does not have any relation with the awarding agency and has nothing to do with the process and screening of the awards.)
