Press Release

NIIT MTS Ranked Among Training Industry's Top 20 IT and Technical Training Companies, 2025

Atlanta, GA, November 11, 2025: NIIT Learning Systems Limited [NIIT Managed Training Services (NIIT MTS)] (Ticker Symbol: NIITMTS), a global leader in managed learning services, announced that it has been named to the 2025 Top 20 Companies in IT and Technical Training by Training Industry, Inc., for the sixteenth consecutive year.

Training Industry, the leading research and information resource for corporate learning leaders, prepares the Training Industry Top 20 report on critical sectors of the corporate training marketplace to better inform professionals about the best and most innovative providers of training services and technologies.

Selection to the 2025 Training Industry Top 20 IT and Technical Training Companies list was based on the following criteria:

- Scope and quality of program and service offerings for IT and technical training.
- Market presence, brand visibility, innovation and impact.
- Strength of client portfolio and customer relationships.
- Business performance and growth trajectory.

"This year's Top 20 IT and Technical Training Companies highlight a forward-thinking group of providers shaping the future of IT learning. These organizations deliver high-quality training for IT, cybersecurity, data and other technical professionals, including in-demand programs focused on artificial intelligence (AI) and emerging technologies. They continue to

Press Release

leverage tools such as AI, augmented reality (AR) and virtual labs to provide skill-based learning that evolves alongside the rapidly changing IT landscape.” said **Jalen Banks, market research analyst at Training Industry, Inc.**

“We’re honored to be recognized among Training Industry’s Top 20 IT and Technical Training Companies for the sixteenth consecutive year. This recognition reflects our continued commitment to helping the world’s leading organizations transform learning into a true business advantage. At NIIT, we combine innovation, scale, and deep operational excellence to deliver measurable impact – driving multimillion-dollar savings, accelerating time-to-proficiency, and elevating the learner experience. Our investments in automation and AI are redefining how enterprises manage learning, creating agile, data-driven ecosystems that evolve at the speed of business. This honor reinforces our role as a trusted partner to our customers, helping them stay future-ready in an era of rapid technological change,” said **Sailesh Lalla, Chief Business Officer, NIIT MTS.**

“This recognition highlights our team’s relentless commitment to equipping organizations with the technical skills for today and the future. In today’s ever-evolving IT training landscape, where learners seek new and more engaging ways to learn, it’s imperative to strike a balance between innovation and impact. Our goal is to continue to provide training solutions that inspire learners and empower organizations to achieve meaningful business impact,” said **DJ Chadha, Chief Customer Officer, NIIT MTS.**
