## **NIIT MTS Accredited Gold Standard by the Learning and Performance Institute for the Tenth Consecutive Year**

**Atlanta, GA, September 15, 2025:** NIIT Learning Systems Limited [NIIT Managed Training Services (NIIT MTS)] (Ticker Symbol: NIITMTS), a global leader in managed learning services, announced today that it has been accredited by the Learning and Performance Institute (LPI) in the UK for the tenth consecutive year, maintaining the Gold standard ranking since 2021.

LPI is a leading global membership body for learning professionals and organizations. It aims to raise the profile of those in the workplace learning sector by sharing and celebrating the knowledge, experience, and skills of their members and accredited partners. LPI accreditation is the globally recognized quality mark for providers of learning products, technologies, services, and facilities.

The learning provider accreditation is done through a rigorous audit where a learning provider is validated against a globally recognized quality mark, based on performance data from thousands of learning providers.

The accreditation report commended NIIT for its outstanding work in harnessing digital transformation, building scalable learning programmes, and its continuous investment in cutting-edge technologies such as AI and immersive learning. It highlighted NIIT's ability to combine strategic vision with operational excellence, ensuring learning delivers not just knowledge, but measurable impact across the businesses it supports.

*"We are proud to welcome NIIT into the distinguished group of Gold Accredited providers. Their dedication to innovation, measurable results, and a learner-first approach exemplifies what it means to be a leader in our profession,"* **said Ed Monk, CEO, Learning and Performance Institute.**

*"Achieving Gold Accreditation with the LPI is a significant milestone for NIIT. It reinforces our dedication to delivering high-impact learning solutions that empower both organisations and individuals. We are excited to continue our*

partnership with the LPI and collectively drive the profession into its next phase of growth and innovation,” **said Sapnesh Lalla, CEO and Executive Director, NIIT MTS.**

*(Disclaimer: NIIT MTS does not have any relation with the accrediting agency and has nothing to do with the process and screening.)*
