Press Release

NIIT MTS Ranked Among Training Industry's Top 20 Companies for AI Content Creation & Authoring Tools and AI Coaching & Learner Support Tools, 2025

Atlanta, GA, July 18, 2025: NIIT Learning Systems Limited [NIIT Managed Training Services (NIIT MTS)] (Ticker Symbol: NIITMTS), a global leader in managed learning services, announced that it has been named to the 2025 Top 20 Companies in AI Content Creation & Authoring Tools and AI Coaching & Learner Support Tools by Training Industry, Inc. This marks NIIT's debut on this prestigious list, recognizing leading companies in the AI in Training sector of the corporate learning and development (L&D) market. Notably, this year's recognition is divided into two distinct categories for the first time: AI Content Creation and Authoring Tools and AI Coaching and Learner Support.

Training Industry, the leading research and information resource for corporate learning leaders, prepares the Training Industry Top 20 report on critical sectors of the corporate training marketplace to better inform professionals about the best and most innovative providers of training services and technologies.

Selection to the 2025 Training Industry Top 20 AI Content Creation & Authoring Tools Companies lists was based on the following criteria:

- Scope, quality, and extent of AI content creation and authoring tool capabilities.
- Market presence, brand visibility, innovation and impact.
- Strength of client portfolio and customer relationships.

“We’re honored to be recognized by Training Industry as a 2025 Top 20 Company in both AI Content Creation & Authoring Tools and AI Coaching & Learner Support Tools. This recognition reflects our ongoing commitment to redefining learning through the power of AI. At NIIT MTS, we see AI not just as a technology—but as a strategic enabler that transforms how learning is created, delivered, and scaled. Our AI-driven solutions accelerate content development, personalize learning journeys, and expand access to coaching with measurable outcomes. To support organizations on this path, we’ve introduced our Learning Maturity Model, which maps the four stages of AI-led transformation. With secure AI environments, we enable rapid deployment of next-gen learning ecosystems built for scale and impact,” said **Sailesh Lalla, Chief Business Officer, NIIT MTS.**

“We are proud to be recognized by Training Industry for our work in AI-driven content creation and learner support. Behind this recognition is our focused investment in state-of-the-art tools that are helping us remarkably reduce cycle times and streamline SME interactions during the development process. These innovations are not just about efficiency, they’re enabling us to deliver more responsive, scalable, and impactful learning experiences to our customers,” said **Devenderjit Chadha, Chief Customer Officer, NIIT MTS.**
