NIIT MTS Ranked Among Training Industry's Top 20 Custom Content Development Companies, 2026

Atlanta, GA, March 20, 2026: NIIT Learning Systems Limited [NIIT Managed Training Services (NIIT MTS)] (Ticker Symbol: NIITMTS), a global leader in managed learning services, announced that it has been named to the 2026 Top 20 Companies in Custom Content Development by Training Industry, Inc. for the sixteenth consecutive year.

Training Industry, the leading research and information resource for corporate learning leaders, prepares the Training Industry Top 20 report on critical sectors of the corporate training marketplace to better inform professionals about the best and most innovative providers of training services and technologies.

Selection to the 2026 Training Industry Top Custom Content Development Companies List was based on the following criteria:

- Scope and quality of custom content development services
- Market presence, brand visibility, innovation and impact
- Strength of client portfolio and customer relationships
- Business performance and growth trajectory

"The companies named to this year's Top 20 Custom Content Development list exemplify innovation and excellence in delivering high-quality content and services, including instructional and graphic design, across diverse industries and subject areas. Through their ability to develop content across multiple modalities and harness learning technologies like artificial intelligence to enhance tools and capabilities, these providers create engaging learning experiences that help organizations reach their strategic goals and business objectives," said **Jalen Banks, market research analyst at Training Industry, Inc.**

"For the sixteenth consecutive year, we're proud to be recognized among the Top 20 Custom Content Development Companies by Training Industry. This milestone reflects more than longevity, it reflects our commitment to evolving alongside our clients. As organizations face constant change, we're integrating generative AI into our content development to deliver learning that is faster, more scalable, and built to adapt. Grounded in our Critical Mistake Analysis methodology, we stay focused on what matters most: learning that aligns with business priorities and drives measurable performance outcomes," said **DJ Chadha, Chief Customer Officer at NIIT MTS.**
