# NIIT MTS Named A Strategic Leader in the Fosway 9-Grid™ for Digital Learning, 2026

**Atlanta, GA, March 26, 2026:** NIIT Learning Systems Limited [NIIT Managed Training Services (NIIT MTS)] (Ticker Symbol: NIITMTS), a global leader in managed learning services, announced today that it has been named a Strategic Leader in the Fosway 9-Grid™ for Digital Learning for the fourth consecutive year.

The Fosway 9-Grid™ for Digital Learning is a five-dimensional model that can be used to understand the relative position of solutions and providers, predominantly within the EMEA market. It allows organizations to compare different solutions based on five dimensions:

- Performance
- Potential
- Market Presence
- Total Cost of Ownership
- Trajectories across the Market

The position of NIIT MTS as a Strategic Leader on the grid reflects NIIT's strong market performance, customer advocacy and comprehensive suite of AI-first managed learning services capabilities to meet the digital learning needs of complex enterprise-scale clients.

"Extending solution capability and geographic reach is a good strategy to grow your business in a tough, competitive market," said **Myles Runham**, Senior Analyst at Fosway Group. "NIIT has long been a major presence in the Digital Learning segment with a genuine full-service portfolio and a deep managed service capability for large, complex customers, hence the strong position as a Strategic Leader in our 9-Grid."

"We are proud to be recognized as a Strategic Leader in digital learning by Fosway Group for the fourth consecutive year. This recognition belongs to our clients as much as it does to us. It reflects the trust they place in NIIT and the outcomes we deliver together," said **Sapnesh Lalla**, Chief Executive Officer and Executive Director, NIIT MTS. "What drives that trust is a relentless focus on innovation. We have built an AI-first approach to learning that goes beyond content development and delivery. It is about building deep, future-ready capabilities within organizations that translate directly into improved business performance," he added.

The Fosway 9-Grid™ for Digital Learning report is an independent analysis of the current digital learning market. Fosway Group works closely with corporates learning teams, getting the latest from vendors and conducting rigorous research to identify the performance and potential of e-learning content and digital skills platforms available to enable companies to make informed buying decisions when it comes to digital learning providers.
