Dear Sirs,

Sub.: Commencement of Trial Production of Phase II of Expansion at Dahej

The Company had vide its letters dated 20th December 2017 & 31st January 2018 intimated about the CAPEX programme – Phase II of Rs. 255 Crore approved by the Board of Directors at its Meeting held on 20th December 2017 for expansion of capacities of rubber chemicals including the intermediates consumed towards manufacture of rubber chemicals at the Company's plants situated at Navi Mumbai and Dahej.

Now, pursuant to Regulations 30(3) & (4) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements), Regulations, 2015, we are pleased to inform you that the Company has, after achieving mechanical completion, started the trial runs effective 17th October, 2019 at the Company's plant situated at Dahej, in the state of Gujarat.

The said investment is towards meeting the demand regarding the antioxidants portion of the rubber chemicals business in the Country. As a matter of information, Rubber Chemicals can be broadly classified into Antioxidants, Accelerators and Others. Commercial production will start on receipt of approvals from major customers.

Submitted for dissemination of information to the members of the stock exchange and public.

Kindly request you to take the above on your records and acknowledge receipt.

Thanking you,

Yours faithfully,
For NOCIL Ltd.

V. K. Gupte
Company Secretary
