The current paid-up share capital of the Company stands at 1,93,95,250 equity shares, whereas the listed share capital is 1,93,89,900 equity shares. This difference has arisen on account of allotment of 5,350 equity shares under the ESOP Scheme. While the Company, when listed on NSE, had obtained in-principle approval for the said ESOP Scheme, pursuant to its migration to the Main Board of NSE and BSE, a separate in-principle approval from BSE was required and has since been obtained. Pending completion of the corporate action for the said 5,350 equity shares, these shares are reflected in the paid-up share capital but not in the listed share capital, thereby resulting in a temporary variance.

Since the proposed preferential issue shall result in the allotment of more than 5% (five per cent) of the post-issue fully diluted share capital of the Company to the Proposed Allottee, the Company is required to obtain a valuation report from an Independent Registered Valuer.

Accordingly, the Company had appointed Mr. Navin Khandelwal (PAN: ACBPK8517B), a SEBI Registered Valuer (Registration No. IBBI/RV/05/2019/10779), through a Board Resolution dated August 1, 2025. A valuation report dated August 4, 2025 was obtained from the said Registered Valuer and was taken on record by the Board of Directors of the Company in its meeting held on the same date.

Subsequent to the issuance of the notice of the Extraordinary General Meeting, there has been a change in the shareholding pattern of the Company. In view of this change, the Company has obtained a revised valuation report from the Registered Valuer to reflect the updated shareholding position. However, it is clarified that the **relevant date for the purpose of calculation of the issue price under Regulation 161 of the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 remains July 29, 2025**, and accordingly, there is **no change in the determination of the issue price of the equity shares** proposed to be allotted on a preferential basis. The revised report has been placed before the Board and is also available on the website of the Company at

The Company shall issue and allot the equity shares to the Allottees in dematerialized form and seek final approval from the Stock Exchanges for listing the equity shares allotted to the Allottees. After the necessary approvals, all equity shares shall be credited into the demat account of Allottees after allotment of equity shares.
