**Subject: Intimation under Regulation 30 read with Para C of Part A of Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Partnership with Cosmos Co-operative Bank Ltd for Expansion of Digital Payment Acceptance Infrastructure**

Respected Sir/Madam,

Pursuant to Regulation 30 read with Para C of Part A of Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that Network People Services Technologies Limited (NPST) has entered into a partnership with Cosmos Co-operative Bank Ltd to expand digital payment acceptance infrastructure for co-operative banks across India.

As part of this partnership, NPST will be leveraging its offline payment acceptance platform - Qynx, to manage the complete merchant lifecycle, including:

- Device procurement and logistics
- Merchant onboarding for acquirers
- Field operations and servicing
- Technical integration
- Compliance and regulatory management

This collaboration will enable more than 1,500 co-operative banks, collectively operating over 11,000 branches, to offer QR code and soundbox-based digital payment acceptance to their customers without the need to develop or maintain their own digital backend infrastructure.

The initiative is expected to significantly contribute to financial inclusion and support the adoption of digital payments across semi-urban and rural markets.

Kindly take the aforesaid on your records.

Thanking You,  
Yours Faithfully,  
For Network People Services Technologies Limited
