Subject: Clarification on movement in volume of the Company's shares – Reg. 30 of SEBI (LODR) Regulations, 2015

Respected Sir/Madam,

This is with reference to your respective queries seeking clarification regarding the significant increase in trading volume of the Company's equity shares across the Exchanges in the recent past.

At the outset, we sincerely apologise for the delay in furnishing our response, which was on account of the intervening holidays of Eid and Raksha Bandhan.

In this regard, we would like to state as follows:

1. We have noted the observation made by the Exchanges regarding the increase in trading volume of the Company's shares in the recent past.

2. We wish to clarify that the Company is not aware of any specific reason attributable to the said increase in volume, and there is no impending announcement or unpublished price sensitive information which has a bearing on the price/volume behaviour of the scrip of the Company, other than what has already been disclosed to the Exchanges from time to time in compliance with Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR Regulations").

3. The Company affirms that it is in compliance with Regulation 30 and other applicable provisions of the SEBI LODR Regulations, and shall continue to make all necessary disclosures to the Exchanges as and when any price sensitive event or information arises, in accordance with the timelines prescribed thereunder.

4. The movement in the price/volume of the Company's shares on the Exchange platforms may be a result of normal market forces, trading/investment decisions of investors, and general market sentiment, over which the Company has no control and for which it cannot be held responsible.

We request both the Exchanges to take the above clarification on record and disseminate the same to the investors, as required.

This is submitted for your information and records, in compliance with the requirements of the Exchanges.

Thanking you,

For Network People Services Technologies Limited
