LIMITED REVIEW REPORT ON INTERIM FINANCIAL RESULTS (STANDALONE) **FOR THE QUARTER & HALF YEAR ENDED 30TH SEPTEMBER 2016**

To
The Board of Directors,
Coal India Limited
Kolkata

Dear Sir,

1. We have reviewed the accompanying statement of standalone Unaudited Financial Results of **Coal India Limited** (hereinafter referred as 'the company') for the quarter and half year ended 30th September, 2016 ('the statement') being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No.CIR/CFD/FAC/62/2016 dated 5th July, 2016. This statement which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards 34 "Interim Financial Reporting" (Ind AS '34') prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Without qualifying our opinion, we draw attention to the followings:-
 - a) Investment of Rs. 8926.42 Crores and loan & advances of Rs. 578.43 Crores (Current Account Debit Balances) in its 100% subsidiaries namely, Bharat Coking Coal Limited (BCCL) and Eastern Coalfields Limited (ECL) book value of which substantially got eroded, have come out of Board for Industrial & Financial Reconstruction (BIFR). These subsidiaries started turning around. In view of changing circumstances, the management is of the opinion that no writing down or provisioning is required against the erosion in the book value of the assets as the investments are of long term in nature.
 - b) Fixed assets in Dankuni Coal Complex leased to South Eastern Coalfields Limited (SECL) for lease rent of Rs. 1/- per annum are shown in Balance Sheet at written-down value/book value. In the opinion of the management the nominal income earning is a temporary policy matter and actual worth of the assets including land is much higher than the book value and as such no provision is being considered.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement prepared in accordance with the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as modified by Circular No.CIR/CFD/FAC/62/2016 dated 5th July, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. As stated in Note No.1 (b) to the statement, we have not reviewed the financial results and other financial information for the corresponding quarter and half year ended 30th September, 2015 and reconciliation of net profit for the half year ended on that date between previous GAAP and Indian Accounting Standards ('Ind AS') in the statement which have been presented solely based on the financial information compiled by the management.

LIMITED REVIEW REPORT ON INTERIM FINANCIAL RESULTS (CONSOLIDATED) **FOR THE QUARTER & HALF YEAR ENDED 30TH SEPTEMBER 2016**

To
The Board of Directors,
Coal India Limited
Kolkata

Dear Sir,

1. We have reviewed the accompanying statement of Unaudited Consolidated Financial Results of **Coal India Limited** ('the Holding company') and its nine subsidiaries (together referred to as 'the Group') and two jointly controlled entities for the quarter and half year ended 30th September, 2016 ('the statement') being submitted by the Holding company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No.CIR/CFD/FAC/62/2016 dated 5th July, 2016. This statement which is the responsibility of the Holding Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards 34 "Interim Financial Reporting" (Ind AS '34') prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. We did not review the interim financial information of nine subsidiary companies, whose financial statements reflect the Group's share of total assets of Rs.109925.30 Crores as at 30th September, 2016 and the Group's share of total revenue of Rs.37273.57 Crores for the half year ended on that date as considered in the consolidated financial statements. These financial statements have been reviewed by other auditors whose reports have been furnished to us and our opinion, in so far as it relates to the amounts included in respect of such subsidiaries, is based solely on the reports of the other auditors.
4. The Financial results of the foreign subsidiary Coal India Africana Limitada have been prepared as per General Accounting Plan for small entities in Mozambique (PGC-PE) and reviewed by other auditors of Mozambique have been considered for consolidation. No adjustment have been made for the differences between such financial results prepared as per General Accounting Plan for small entities in Mozambique (PGC-PE) and Indian Generally Accepted Accounting Principles (GAAP) being insignificant as per the management and which have been relied upon by us.

5. The accounts of two jointly controlled entities viz. CIL-NTPC Urja Private Limited, and Talcher Fertilizers Limited (Formerly known as Rashtriya Coal Gas Fertilizers Limited) drawn up to 30th September, 2016 have been considered for consolidation as certified by the Company's management and have not been reviewed by us. The company is owning 0.26% share in joint venture Company named International Coal Venture Private Limited and considering its insignificance as stated in Note No.2(b) to the statement, the financial statements of the joint venture company have not been considered for consolidation by the management.
6. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement prepared in accordance with the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as modified by Circular No.CIR/CFD/FAC/62/2016 dated 5th July, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.
7. As stated in Note No.1 (b) to the statement, we have not reviewed the financial results and other financial information for the corresponding quarter and half year ended 30th September, 2015 and reconciliation of net profit for the half year ended on that date between previous GAAP and Indian Accounting Standards ('Ind AS') in the statement which have been presented solely based on the financial information compiled by the management.
