Dear Sir,

Sub: Disclosure of Events Pursuant to Regulation 30(4) of SEBI (LODR), 2015- reg:

With reference to the subject cited above, it may please be noted that the office of the Sub-Collector has issued Orders to shut down the operations of the Factory of the Company which is manufacturing coir products, pertaining to Natural Fibre Division, situated at Pollachi, Tamil Nadu, till such time the Certificate from Pollution Control Board is furnished (for the said factory).

The order has been issued, based on the complaints raised by some of the local people, without giving an opportunity of hearing for the Company inspite of holding all the requisite licenses which has been asked for. The Company has already taken up the matter with its legal counsel to try various options to get a stay for the said Order from the Court or to get the revocation of the Order from the same office or its higher authorities.

The above information may kindly be noted and the Company shall inform further updates on the matter.

Note: The company had received the Order on 11.01.2018 after close of business hours and as the Order was in Tamil we had to get it translated to English and as the Company was on holidays during the weekend, the disclosure is made today.

With regards,

For ASPINWALL AND COMPANY LIMITED
