Dear Sir,

We wish to inform you that the mining activity at our Mahagiri Chromite Mines has been suspended w.e.f. February 1st, 2015 upon expiry of environment clearance. We have already completed safety zone diversion which was a pre-condition for extension of environment clearance. The matter is being taken up with the Ministry of Environment & Forest, Govt of India and we expect environment clearance co-terminus with the lease to be approved shortly. Adequate stock of chrome ore is available at plant sites and we do not anticipate any production disruption.

This may kindly be taken on record.

Thanking you

Yours faithfully
