With reference to the subject cited above, it may kindly be noted that the Company has received an Interim Stay, from the Madras High Court, of the impugned prohibitory order issued by the office of the Sub-Collector, Coimbatore which was to stop the production at the Factory of the Natural Fiber Division of the Company situated at Pollachi. The interim stay is for a period of four weeks. The learned counsel appearing for the Pollution Control Board has filed a report before the said Court stating that no seepage or overflow was observed from the Solar Evaporation Plant. They have also submitted before the Court that the allegations made in the impugned proceedings are incorrect. The learned Government Pleader has sought time to file counter affidavit.

Meanwhile, the Company has taken steps to complete the existing drainage tank work and to install suitable pump for recycling the drain water collected. It may also be noted that the Company has resumed production based on the information of Interim stay order received from the Madras High Court and it is confirmed that there has been no business loss during this period of non-production. The Company has not claimed any Insurance amount due to this event.

Kindly take note of the above and the Company shall keep the Exchange posted about further updates, if any, on the above matter.

Yours faithfully,
