Press Release

Good Luck Steel Tubes Limited announces Financial Results for Q1 FY 16

YoY Highlights: PAT up 19 %, EBIDTA up by 25 % and EPS up 10%

Q1 FY16 financial performance highlights:

- Total Revenue Rs. 268 Cr. for Q1 FY 16
- EBIDTA increased to Rs. 26.72 Crore V/s Rs. 21.4 Cr. in Q1 FY15
- Profit before tax stood at Rs. 12.43 Crore increased by 52.14% over Rs 8.17 Crore in Q4 FY15

Though there is a decrease in the metal prices during the quarter, however the company is able to maintain its growth in the sale volume. Operating profits have been consistent due to optimal capacity utilisation and better product mix.

The current focus is on value added products segments/market segments to maintain steady growth of top line and bottom line. We expect to perform better with revenue flowing from new plant. Demand in India for our products for Infrastructure & Auto is expected to steady.

The Industry as a whole is consistent and the company will capitalise on incremental demand to achieve its target.

About Good Luck Steel :

Good Luck Group is an ISO 9001 certified organization, engaged in manufacturing and exporting of wide range of Automobile CDW Tubes, Forged Engineering Products, T&D Towers & Boiler Structure, Galvanized Pipes, Roofing Sheets & Annealed Sheets. Our Group is one of India's leading and fastest growing business groups with over 1800 employees and having plants and units at different locations. With all requisite facilities and domain expertise, Good Luck have the capacity to manufacture & process around 2,00,000 MT of various steel products. Years of research and careful Co-Ordination of methodology has resulted in qualitatively superior products meeting stringent customer norms, manufactured by cost effective production techniques.
