Accelya features in IAOP Global Outsourcing 100 List for 2nd year in a row

Accelya recognized with highest rating for Programs for Innovation, Customer References and Awards & Certifications

Barcelona, Mumbai, 26 April, 2016: Accelya, the leading provider of financial and business intelligence solutions to the Airline industry, has been named in the 'Leaders' category of the IAOP 2016 Global Outsourcing 100 List. .

The 2016 Global Outsourcing 100 recognizes the world's best outsourcing service providers. This list is based on applications received, and judging is based on a rigorous scoring methodology that includes an independent review by an independent panel of IAOP customer members with extensive experience in selecting outsourcing service providers for their organizations, led by Michael Corbett, Chairman and Debi Hamill, CEO of IAOP.

"Buyers understand there are hundreds of qualified service providers out there, but what they really need to understand now is what makes each one exceptional," said IAOP CEO, Debi Hamill. "The Global Outsourcing 100 list has done just that. We're proud to recognize Accelya for being among the highest rated companies in **Programs for Innovation, Customer References and Awards & Certifications.**"

Accelya was given a special recognition in these categories on the basis of:

- Accelya **programs for innovation** like Strategic Product Groups, User Meets and Stay Ahead help in creating new forms of value for clients.
- **Customer Testimonials** explaining the value created for customers by Accelya
- Accelya has received public recognition through industry awards and organizational certifications which highlight outsourcing excellence.

Speaking on the occasion, **Mr. John Johnston, Group CEO, Accelya** said, "Innovation and Customer Focus are core values of Accelya and we are extremely happy that we are rated high on them by IAOP."

About Accelya

Accelya is a leading provider of financial and business intelligence solutions to the Airline and Travel industry. Accelya helps airline and travel companies manage their financial processes and gain insights into their business performance.

Accelya's expertise spans across all critical airline financial processes - BSP Processing, Revenue Accounting, Audit & Revenue Recovery, Card Management, Miscellaneous Billing, Cost Management and Business Intelligence. Accelya partners with airlines right from the time a ticket or an air waybill is issued, all the way through its entire financial life cycle, until the data is converted into actionable decision support.

With over 200 airline customers, our operations are spread across 8 countries and Accelya employs over 2000 professionals worldwide.

About IAOP

IAOP is the go-to association leading the way to improve outsourcing outcomes by bringing together customers, providers and advisors in a collaborative, knowledge-based environment that promotes professional development, recognition, certification and excellence. With over 120,000 members and affiliates worldwide, IAOP is not only on top of the latest trends but in front of them. Through its expansive global chapter network, premier training and certification programs, knowledge center, member community and more, IAOP helps members learn, grow and succeed.
