HERO MOTOCORP SELLS 549,533 UNITS OF TWO-WHEELERS IN JUNE

New Delhi, July 1, 2016

Hero MotoCorp Ltd, the world's largest two-wheeler manufacturer, sold **549,533** units in the month of June this year.

The company had sold 542,362 units of two-wheelers in the corresponding month last year.

Supported by growth across multiple segments, the company clocked 17,45,389 unit sales in Q1 FY '17, as against 16,45,543 units in the corresponding quarter last year, in spite of subdued rural demand and fewer marriage dates.

The company will soon introduce Splendor iSmart 110 motorcycle in the market – the first motorcycle to have been completely developed by the in-house R&D team at Hero MotoCorp.

With the implementation of the 7th Pay Commission and the forecast of an above-average monsoon, the company is cautiously optimistic about a pick-up in sales momentum.
