L&T Construction Wins Orders Valued ₹ 1255 Crores

Mumbai, March 19, 2015: The construction arm of L&T has won orders worth **₹ 1255 crores** across various business segments in March 2015.

Buildings & Factories Business:

The Business has secured a major order worth **₹ 825 crores** from a premium developer in Bengaluru. The project encompasses design and construction of a residential building complex.

The scope involves civil & structural works for 16 towers (10 towers of 27 floors each and 6 nos. of 14-floor towers).

Power Transmission & Distribution Business:

The Business has secured new orders worth **₹ 430 crores.**

In the domestic market, an order has been received from the Power Grid Corporation of India Limited for the construction of a 765kV double circuit transmission line in Uttar Pradesh. The project is associated with the Inter-regional system strengthening scheme for Western and Northern Regions.

On the international front, the business has secured an order from a private developer for the design, supply, installation, testing and commissioning of a 132/11 kV substation in Dubai.

Background:

Larsen & Toubro is a major Indian multinational engaged in technology, engineering, construction, manufacturing and financial services, with global operations. Its products and systems are marketed in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.

* L&T Construction is a brand of Larsen & Toubro
