## L&T Construction Wins Orders Valued ₹ 5492 Crores

**Mumbai, April 6, 2015:** The construction arm of L&T has won orders worth **₹ 5492 crores** across various business segments in March 2015.

**Buildings & Factories Business:**

The Business has secured orders worth **₹ 2768 crores** including add-ons.

A major order was received for the construction of a mixed use development complex in Mumbai which will consist of eight residential towers and a commercial building spread over an estimated total built-up area of 35 Lakh Sq. ft.

The scope involves civil, structural, architectural, finishes, mechanical, electrical and plumbing works.

**Power Transmission & Distribution Business:**

The Business has bagged orders worth **₹ 984 crores** in both the international and domestic markets, including add-ons.

New orders and variations have been won from various reputed customers in the Middle East which includes engineering, procurement and construction of 220kV and 132kV substations and power upgradation works at certain facilities.

**Water & Renewable Energy Business:**

The Business has received an order worth **₹ 188 crores** from the Rural Water Supply & Sanitation Department for the construction of intake wells, water treatment plants and a raw water pumping main in the Medak district of Telangana along with associated electrical, mechanical and instrumentation works.

Additional orders worth **₹1552 crores** have been received from various ongoing jobs of other businesses of L&T Construction.

**Background:**

Larsen & Toubro is a major Indian multinational engaged in technology, engineering, construction, manufacturing and financial services, with global operations. Its products and systems are marketed in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.

* L&T Construction is a brand of Larsen & Toubro
