L&T Construction Wins Orders Valued ₹ 802 Crores

Mumbai, April 29, 2015: The Power Transmission and Distribution (PT&D) business of L&T Construction has won orders worth **₹ 802 crores** in the domestic and international markets in April 2015.

In the domestic market, Rural Electrification projects under the Rajiv Gandhi Grameen Vidyutikaran Yojana (RGGVY) schemes have been bagged in Uttar Pradesh and West Bengal from Dakshinanchal Vidyut Vitran Nigam Limited and West Bengal State Electricity Distribution Company Limited respectively.

Additional orders have also been received for the Solar Business.

On the International front, an order has been bagged from a private developer for engineering, procurement & construction of a 132/11kV substation in the Middle East.

The Power Transmission & Distribution business is a leading EPC player in the field of T&D business offering integrated solutions and end to end services ranging from design, manufacturing, supply, installation and commissioning of transmission lines, underground cable networks (both power and control), substations, distribution networks, electrical and instrumentation works for power, process and infrastructure projects, in both Domestic and International markets. On the renewable energy side, the business provides turnkey EPC services for projects on photovoltaic and concentrated solar power plants.

Background:

Larsen & Toubro is a major Indian multinational engaged in technology, engineering, construction, manufacturing and financial services, with global operations. Its products and systems are marketed in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.

* L&T Construction is a brand of Larsen & Toubro
