On Our 25th Anniversary of Incorporation: Thank You!

Persistent Systems Private Limited was incorporated on the 30th of May 1990. Today marks the 25th anniversary of this important landmark in the history of the Company. What an incredible journey this has been!

We started our journey with just a dream but with a determination and a resolve to build an institution that we can all be proud of. At every step in this journey we met with many well-wishers and supporters who went out of their way to help us. They guided us along and ensured that we stayed on course. I remain eternally grateful to them.

As I look back, I am both proud and humbled by what we have achieved. This has truly been a team effort. We would not be here without the love, affection and the support of our customers, employees, investors, partners, suppliers, vendors, regulators, well-wishers and friends. You have all been a part of this journey and have had a role to play in making Persistent Systems. I must thank all of you.

As we look towards to the next 25 years the dream and the determination continues and I look forward to your continued support.

With best wishes,
Yours sincerely,
For Persistent Systems Limited

Anand Deshpande
Chairman and Managing Director
