L&T Wins Orders Valued ₹1507 Crores

Mumbai, June 22, 2015: L&T's Metallurgical and Material Handling (L&T-MMH) business has secured new orders worth **₹ 1507 crores** across various verticals.

L&T-MMH has won a prestigious EPC order from Emirates Global Aluminum (EGA) for its greenfield alumina refinery development project in Al Taweelah, Abu Dhabi, UAE. The scope involves engineering, procurement, fabrication, erection and associated works for the tankages package.

In the domestic arena, L&T-MMH won EPC orders from SAIL for the installation of a slab caster, and suppressed combustion system along with replacement of basic oxygen furnace converter for modernization of its Steel Melt Shop at Bokaro.

L&T-MMH has also secured orders from its existing customers both in Steel & Material Handling Segment.

These orders are clear signs of improved business prospects in the sector L&T-MMH operates as well as reinforcing the premium position it occupies in the domestic arena and increasing presence in the Gulf. The capabilities of L&T-MMH to provide technology, engineering, manufacturing and construction services coupled with the commissioning and demonstration of performance of all critical units of metallurgical as well as material handling plants give it the unique status of a complete solution provider in the industry.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over **USD 15 billion** in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.

* L&T Metallurgical and Material Handling is a brand of Larsen & Toubro
